

# **ECT Family Experiences Study**

**Do you have a family member  
who has had  
electroconvulsive therapy?**

**We would like to hear about your  
experiences!**

**Participants will be interviewed about their experience and fill out  
some brief questionnaires.**

**Interviews will be done virtually and will take ~ 1 hour.**

**You will receive your choice of a \$25 digital Target or Amazon gift  
card for your participation.**

**Our goal in this study is to understand family's experiences to  
assist in developing programs to better support families whose  
members are receiving ECT.**

**If you are interested, please email the Family  
Development & Treatment Lab at
