

INTRO TO COMPETITION PISTOL

4 HOURS

PRICE

\$250

Build confidence using practical marksmanship applications used in competition shooting. The course will be building blocks to the mechanics of speed and accuracy. Using these foundational skill sets will allow the student to apply these from firearm manipulations, competition, and the development of pistol shooting.

Materials Required to Participate:

- Your Firearm
- 300-350 rounds of ammunition required
- Belt
- 3-4 Mag Pouches
- Holster
- spare batteries
- Eye Protection
- Ear Protection (electronic is possible)

*** Appropriate clothing is required: NO open-toed shoes & NO tank tops

Recommended Items:

- Water/Electrolytes
- Insect Repellent / Sunblock
- Food

& As Always, Bring an Open Mind
