

PISTOL III STRESS SHOOTING

8 HOURS

PRICE

\$285

MUST HAVE TAKEN DEFENSIVE PISTOL 1 & 2

((we will remove your from the course if you have not taken pre-reqs))

This course was developed for the more advanced and experienced shooter, to understand, and develop during stress in adverse conditions while still maintaining accuracy and speed during a live confrontation, by replicating stress levels in different ways to understand the (OODA Loop Cycles).

This course is more demanding all around and builds on the foundation of Pistol 1 and Pistol 2. This course will have light **Calisthenics** like: light moderate running, push-ups, sit-ups, and mountain climbers.

The course will also be using V-tac Walls, Timers, Weighted Vests, Smoke Flash Bangs, PA System, and Carrying Barrels. The course will be filled with different drills and exercises every time, so one can take course multiple times.

As always, bring an open mind.
