

KEYSTONE STARS

DOCUMENT UPLOADER SOFTWARE

The Keystone STARS Document Uploader software is now available!

The screenshot shows the 'SMART Document Uploader' login interface. At the top, it says 'SMART Document Uploader' and 'pennsylvania KEYSTONE STARS'. Below this, it states 'An Initiative of the Office of Child Development and Early Learning (OCDEL) in collaboration with the Central Susquehanna Intermediate Unit (CSIU)'. The date 'Monday, February 5, 2018' is displayed on the left, and a 'Sign In' link is on the right. The main section is titled 'Login Page' and contains two input fields: 'Email Address' with the value 'jeff.k@pinpointrobotics.com' and 'Password' with masked characters. There is a 'Sign In' button and a link for 'forgot my password'. At the bottom, it includes the text 'PA Early Learning Keys to Quality', copyright information '© 2018, Center for Schools and Communities - Central Susquehanna Intermediate Unit', and an email address 'Email: csu@help@csiu.org'.

The Keystone STARS Document Uploader is a tool that gives providers the ability to electronically submit sources of evidence in meeting their Keystone STARS Performance Standards.

The Keystone STARS Document Uploader is web-based, can be accessed at any time, with any web-browser, and is easy to use. The documents that providers upload are directly linked to specific indicators and are visible by the assigned Quality Coach.

Users will have access to their Document Uploader Dashboard - allowing them to view what documents have been uploaded, get feedback on their acceptance status, and have a running audit of evidence that has been submitted.

The PA Office of Child Development and Early Learning (OCDEL) and the Central Susquehanna Intermediate Unit (CSIU) will provide Zoom Webinars to assist providers in the orientation and use of the Keystone STARS Document Uploader software.
