It's a fact

- Healthy brain development is the key to maximizing our children's potential.
- The brain undergoes its most rapid development in the first three years of life.

Benefits of quality learning

- Promotes positive brain development
 - Promotes school readiness
 - Saves tax dollars
- Contributes to long-term economic growth
- Prepares today's children for tomorrow's competitive workforce

Where Kiwanis has been

- Reading to children
- 30,000,000 words by age six
- Book collection and distribution
- Partnerships with child care centers, child care providers, agencies with focus on children
 - Partner with Pa. Early Learning Investment Commission
- Distributed Early Learning guide and the 2017 PA One Book
- Beginning of advocacy
