

It's time to update your iPad!

1

Plug in & Connect to WiFi

Plug your iPad into your charger and make sure that it will be on WiFi for the **entire** update!

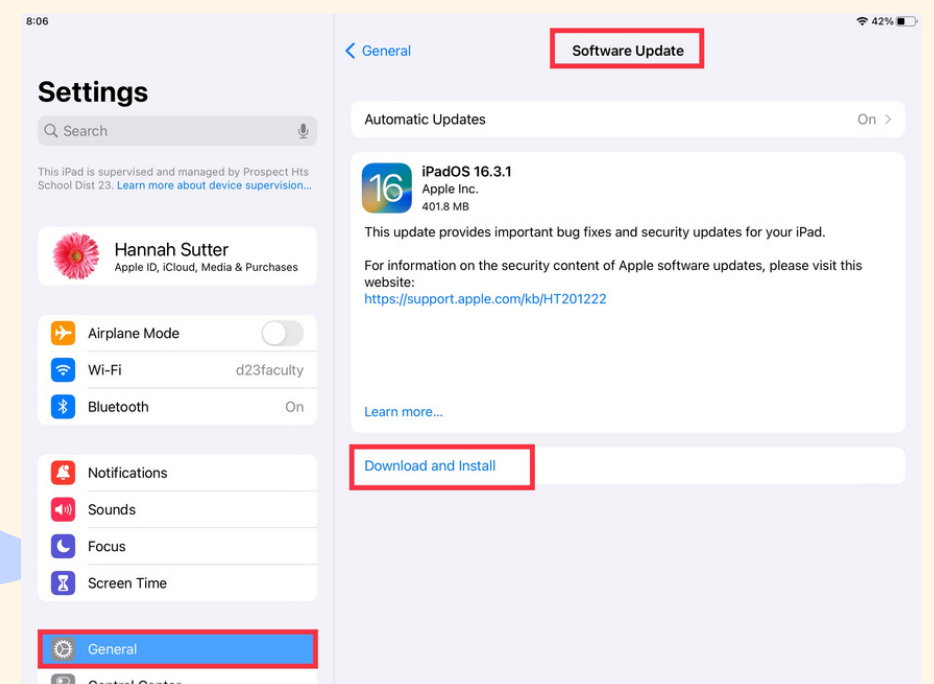

2

Download iOS16

Download the available update.

1. Go to Settings
2. Tap on General > Software Update
3. Tap on Download and Install

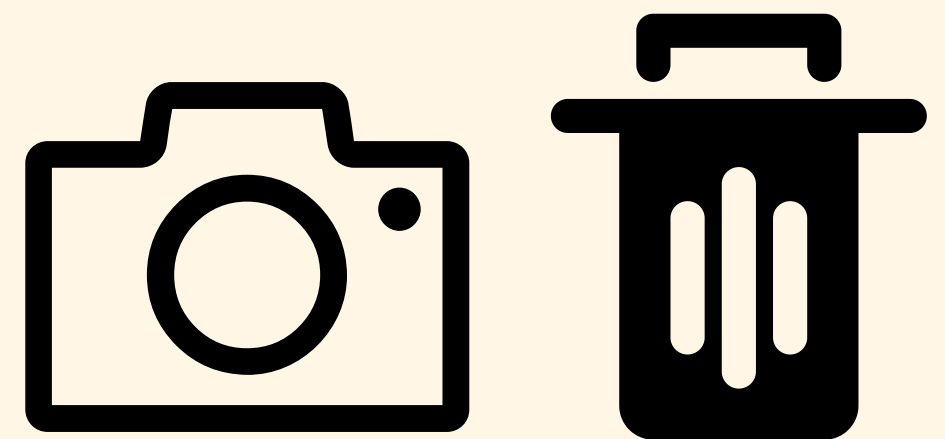

!

iPad Storage

If your iPad is **full**, delete all photos/videos that are not being used for school.

1. Go to Photos
2. Tap on Select
3. Select all Photos/Videos you want to delete
4. Tap on the trash can
5. Go to Albums, then Recently Deleted
6. Delete all Photos/Videos

3

Install iOS16

You are halfway done! After downloading the update, you will need to install it!

4

Clean up

Once you are done updating, take some time to close all tabs in Safari and close all apps.

Close Tabs

1. Open Safari
2. Tap and Hold on the square icon in the top right-hand corner
3. Tap on Close All Tabs

Close Apps

1. Double tap the home button
2. Swipe all open apps closed
