Dr. Bradford Hubbard
Principal

Attention Class of 2027 Families,

Please **SAVE THE DATE** for the Class of 2027 - 8th Grade Elective & Career Pathway Night on December 21st from 6:00 - 8:15 pm (in person) at Wheeling High School. This will be a one-night opportunity for you and your future Wildcat to learn about our Elective and Career Pathway offerings. During the evening you and your student will have the opportunity to visit with teachers in the building where the elective courses are held. We ask that parents/guardians do not send your student alone. In addition, Division Heads and School Counselors will be available to discuss curriculum and placement questions.

If your family is traveling on December 21st, please feel free to check out the [Class of 2027 page](#) for information that will be featured on the night of December 21st. It is also located on the [Wheeling High School homepage](#) (see the screenshot below as a reference).

Please note that more links and details will be released prior to December 21st on the website and also emailed and mailed home.

Welcome to the future Wildcat Pack! Please let me know if you have any questions,

Don Wesemann

Mr. Don Wesemann
Associate Principal for Student Services
