

From the Shepherd's Heart

Thank you for encouraging the interim pastor! To see so many of you in worship on Sunday lifted my spirit. I noticed many children coming to Sunday School, and received a good report about the youth. God is hearing our prayers. He is preparing a new shepherd to lead you and bless you.

Then Wednesday night was uplifting. The fellowship is so good around the tables as we eat together, and Nick continued his expositions from the Gospel of John to a good group. Healthy churches seem to make Wednesday night a vital part of their week.

Mark September 13 on your calendar. The Father has something good planned for His children on that day, and I don't want you to miss it.

Blessings!

D. L.
