

FROM THE SHEPHERD'S HEART

Two words come to my mind when I remember the gathering at the Bacon Heights Church on Sunday—Beautiful, Encouraging! This impression turned into praise and gratitude. No one had to come, but you came. You greeted others, prayed, sang, and listened to the teaching and preaching of God's word. Let's do it again this Lord's Day, and bring someone with you. We have room for others without breaking the rules established by the authorities. The space will be clean and safe.

Continue to seek the Lord for deliverance from this virus. It is still preying upon people and doing harm. The Lord can command this!

Blessings!
