

From the Women's Ministry Team – you are all so precious to us! We have missed seeing you! We had a variety of activities planned for the spring and summer to carry out our theme for the year, “Creative Connections: Encourage One Another”. The goal was to make connections across the generations in our church. Well, those plans got sidetracked! Did you know that we have missed seeing your smiling faces at Bacon Heights? We still believe that the women of Bacon Heights were created to connect with one another. Let's get creative!

Here is a simple plan to connect ladies who wish to participate. Just click on the flower button below to sign up for the “KIT” Network (Keep In Touch). We will divide into small groups and encourage you to stay in contact the good old fashioned way – by telephone – for a few weeks, and then we will switch the groups up so you can make even more connections! We are not sure when we will be able to gather for an event, so let's Keep In Touch!

Here's how it works:

- Register to participate, giving your email and phone number. If you don't have email, call 795-5261 Ext. 202 and leave your name and phone number.
- You will be assigned to a group of 5-6 women.
- The group leader will contact each of you each week, and later, you can trade calling responsibilities.
- Keep it short and sweet.
- General questions for discussion are provided each week, in case you don't know where to start!
- Groups will be re-assigned after several weeks.
- Look forward to gathering with all our new friends face to face later on in the year!
