

## From the Shepherd's Heart

We must get our hearts ready for this Sunday. In the morning we will make our faith commitment to the "*For The Kingdom*" challenge for the next year. We will put in writing what God has shown us, and then will lay it before the Lord in our worship together. My heart is warmed as I anticipate sharing with you in this commitment.

But Sunday at 6:00 pm, we will gather together for the Concert of Prayer. With the help of our music team, we will come before the Lord in earnest prayer. Bring your concerns with you, and we will join you in laying them before the Lord in prayer. Answering prayer is His specialty, particularly when they are presented in corporate worship. The Lord has promised His presence for this gathering.

Blessings!
