

## The Shepherd's Heart

I love the Christmas season! I love telling the old, old story of the Birth of Jesus, His life, His teachings, His death and His resurrection. Just to consider these themes causes a burning in my heart.

So for this December we will consider the Miracles of Christmas—as they are set forth in the Gospel of Luke. Make your plans to include being present to worship with God's people each Sunday in Advent. If you cannot be here, watch them on Facebook or YouTube.

December needs to be the month in which we catch up our gifts to the Lord. You are a part of so much good when you make your monthly or weekly contribution.

What a joy to share this Season with you as your interim pastor. Thank you.

Blessings!

D. L.
