

Church Family,

It is with great excitement that the personnel team unanimously recommends Jordan Morales as our next Student Pastor at Bacon Heights. She has served on our staff in a part-time capacity for the past three years and we believe she is uniquely prepared to lead this vital ministry of our church. Jordan brings a passion for students and their families along with an infectious smile and confident leadership. A formal announcement is scheduled for this Sunday and the church will vote on this recommendation on October 20<sup>th</sup> in both services.
