

From the Shepherd's Heart

I share with you this week with a heavy heart for our nation. However, I am encouraged by the prayer effort that is developing across the nation. Franklin Graham and others will lead a Prayer March this Saturday in the Capital. There will be online efforts with prayer. I am dedicating extra time each day this week to seek the face of the Lord for our nation. We have the words of 2 Chronicles 7:14 on the banners in our worship center, and I urge you to join me in heeding those words. Join me before His throne of grace with prayer.

I will meet you at the Lord's Table this Sunday evening via your computer or tv. Because of the limitations that the virus imposes on us, this is the best way we have found to make sure we Remember Him through the observance of the Supper. Get the elements—the bread and grape juice and Bible—and join me at the time that is best for your family. Do so with a prayer for the blessings of the Lord upon the whole body of the church.

It is a treat to serve among you.

D. L.
