

FROM THE SHEPHERD'S HEART

I was deeply grateful for the good group that gathered on Wednesday night to discuss our 2020 budget. It was obvious that our leaders are taking care of the financial interests of the church very carefully during these uncertain times. Thanks be to God for their faithfulness. And for your faithfulness in giving!

I want to remind you that both worship services are available live online each Sunday morning. A copy will be available on YouTube on Sunday afternoon, and in the days to follow. If you cannot safely attend, you can still worship with us. You might want to check on out last Sunday's Fox chase. Some of us caught one.

Keep up your prayers for our leaders in the church. We not out of the thicket yet, but God knows the way. Your prayers will make a difference.

Blessing!

D. L.
