

Word from the Shepherd's Heart

Take a moment with me and count the blessings that we enjoy as a church. Each of them should stir gratitude in our hearts.

God has given each of us eternal salvation (We will think about this Sunday).

God has given to us a gifted staff to lead us in this bleak time.

God has put in place some faithful leaders among the laity of the church. We have a wonderful group of Bible teachers.

The Lord has put in place a godly group of leaders to search for the new pastor. One meeting with them convinced me that they have their hearts in the right place.

God is using the faithful giving of the members to meet the financial needs, this includes the pledges on the Building Program.

God has kept most of safe from the virus, and is healing those who have been infected.

Remember we are His Body, and He does His work through each of the members.

Rejoice!
