Wayland is Lubbock's home for:

- Approximately 600 students now enrolled in associate's, bachelor's and master's degree programs.
- Degree programs available in business administration, counseling, education, public administration, pre-nursing, justice administration, religion and many other fields.
- Four 11-week terms annually to help students finish their degrees.
- Maximum accessibility, with classes available in the evening and online.
- Smooth transferring, with more credits allowed and credit awarded toward WBU undergraduate degrees for qualified work experience and/or training
- One of the most-affordable Christian universities in the country. Scholarship dollars buy more faith-based education at Wayland than virtually any other place in America.
- In 2015 Wayland was named as one of the "Best Private Colleges for Return on Investment (ROI)" in America by the Wall Street Journal.
- More than 90% of all Wayland students - including those at the Lubbock campus - receive financial aid, and more than 54% need more than we can give.
