

DIVE INTO TWO DAYS OF FIN-TASTIC FUN!

Anchored is a 2-Day Neighborhood VBS that will take place in your front yard or a near by park. On June 28, we will have boxes that you can pick up that will include everything you need to lead this 2-day experience for 10 kids. Each day will include a game, a craft, and a Bible lesson. We will even provide a snack! All you have to do is pick up a box, invite 10 kids, and choose a time sometime during the month of July to have it. Do this as a family, a Bible Study class, or with your friends. You are only limited by your imagination. We want this to be a church-wide ministry opportunity just like our normal VBS is.
