

The Vision to Grow Our Church

- **What:** Renovation project that enhances our Fellowship Center and upgrades to other important parts of our facilities.
- **Why:** After twenty years, we have an exciting opportunity to update our facilities, make it appealing to new people, and more functional for all.
- **Who:** We have contracted with Mark Cook Builders, Audio/Video, and interior designer vendors to perform work.
- **When:** Renovations will begin late this summer.
- **How You Can Help:** Support the matching gift of \$250,000 to complete the project. Your gift can be made out to 'NCUMC' with "Project Fund" on the memo line. You may learn more at a Town Hall meeting on Tuesday, July 30 at 5 PM in the CLC.

Key considerations for the renovation project:

- We are not taking on any debt. We remain debt free!
- The total project cost is \$1,800,000.
 - » \$1,300,000, nearly 75%, is supported from available church funds.
 - » \$500,000 will be supported from a \$250,000 matching gift and \$250,000 from prayerful congregational giving.
- This project follows our church's leadership visionary priorities: hospitality, updating our facilities and digital ministry.
- Churches grow when they are committed to excellence and expanding Christ's Kingdom.
