

WOODBURY DANCE CENTER TOTALLY TOTS PROGRAM

Designed just for our youngest stars – age 2-3!

Our Totally Tots class is a fun-filled 30-minute introduction to dance and creative movement. It's the perfect way for toddlers to explore music, movement, and imagination in a playful, supportive environment!

Each class features:

- Fun and upbeat songs that spark joy
- Creative movement activities to develop balance, coordination, and strength
- Props and imaginative play to keep little dancers engaged and excited

This year, 'Totally Tots' will be offered in 6–8 week sessions, making it easy and flexible for busy families.

At the end of the season, dancers will have the chance to shine on stage in the in-house Totally Tots Showcase in May!
