## FROM THE PASTOR

Wow! Six months! While this interim/bridge time has brought challenges I wasn't expecting, I am so grateful for the leading of the Spirit that brought me back to St. Mark's after fifty years.

I am so grateful for the time I've had to be close to my parents. Thank you!

I am grateful for you and your partnership in the gospel. St. Mark's has a gifted and dedicated staff and Council committed to sharing the grace of God in Jesus Christ. St. Mark's has gifts of hospitality and generosity. **THANK YOU** for the wonderful farewell brunch, the tulips of new life and hope, the cards and gifts, and the treasure of a volume of the St. John's Bible!

I am grateful for the opportunity to reconnect with the role St. Mark's played in my faith journey. One image that has remained with me from childhood is the altar wood carving of the Road to Emmaus in Luke, chapter 24. I can think of no more powerful image and story for how the Risen Christ meets us on the road, listens to our joys and concerns, feeds us with his presence such that hope overcomes despair, love conquers hate, and a way appears out of no way. Last fall we prayed in worship: *God, you point the way to new life in Christ, who meets us on the road. Show us the path that leads to life. Give us your grace on the road that we might serve our neighbors with joy.* As you journey into the next chapter of St. Marks with Pastor Scott, I pray that you may journey now in God's abiding love through the power of the Holy Spirit.

Peace,  
Pastor Kendra

## CHILDCARE & PRESCHOOL

Our hallway project is inching to the finish line! The sprinklers for the hallway by our boiler room were installed in February. We're very excited to have one more step taken in this long process. We would also like to thank the parishioners and teams in the church for their dedication and support in getting our childcare center up to code. Lately, we've seen a lot of the property team in and out looking for more ways to improve both the church and the childcare.

Childcare was closed during the flooding over Christmas, but our wonderful board members were able to save many of our teachers' things by acting quickly to move equipment and set up fans to dry our space. We are so grateful to have such a caring church over us.

February is the month of love. During this month, our children were able to make valentines for the homebound valentines and learn about showing love and kindness to others. We also started something new this year by having a stuffed animal drive for our OCC packing parties in the fall. This is a way to provide higher quality stuffed animals in our boxes as well as teach our children about doing good and sharing with others, as Hebrews 11:16 tells us to do. We plan on carrying those values over into March with a Threads, Hope, and Love donation drive in correspondence with spring cleaning.

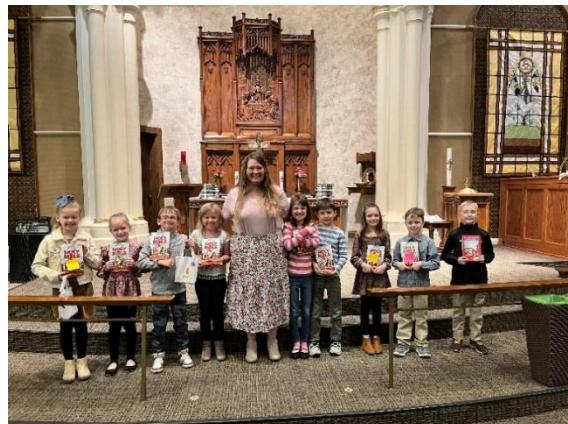

We're looking forward to spring and warmer weather and going back outside to play regularly. We are also looking forward to celebrating the ultimate love and sacrifice of Christ during this upcoming Easter season.

## CHILDREN & FAMILY

**February** – On Sunday, February 12, 2023, Pastor Kendra hosted a bible Sunday school class with the second and third graders along with their parents. This gave the youth and their parents an opportunity to explore the bible together.

On Sunday, February 19, 2023, the second and third graders were presented with their bibles

during Worship. This event showcased the love and compassion that St. Mark's has for the youth and their parents. We were excited to see parents engaging with their children and just as excited as them to receive their bible.

**March** – First Communion for the fifth-grade children of St. Mark's will take place on March 18 and March 19, 2023. On the 18<sup>th</sup>, children will attend a class with Pastor Scott Bacon & Director of Children & Family Ministry, Shannon Boynton, to decorate their first communion banners and learn more about the sacrament. On the 19<sup>th</sup>, the children will receive first communion! We are looking forward to this blessed event.

**April** – God's Global Barnyard is back again! During the month of April, the youth will help our Director of Children & Family Ministry decide what animals to purchase for people in impoverished areas. This initiative is to help children understand the importance of giving and helping others!

Palm Parade on Palm Sunday, April 2, 2023! Sunday School children aged three through sixth grade will be given palm branches to wave and parade through the sanctuary during worship service!

Director of Children and Family Ministries

## YOUTH & YOUNG ADULT

### QUAKE 2022!

High school and middle school youth had an amazing time at Quake in the Wisconsin Dells! The youth experienced amazing worship, life-changing preaching, meaningful workshops, fun and games in workshops and in the waterparks, and the building of friendships that will last a lifetime. The youth are so appreciative of all of

the support that they received from our St. Mark's family and can't wait to go again next year! I am very thankful for the help and support of our chaperones: Mike Griffith, Shannon Boynton, Abby Swanson, and driver Mary Hills!

JULY 5 – 8

It's that time again! We are in the beginning stages of planning a summer mission trip for our youth in grades 7-12.

This year, we have decided to head to the Quad Cities with YouthWorks! During this trip, we will have the opportunity to serve the Quad Cities by assisting with local youth programming, engaging with adults who have disabilities, and meeting basic needs through food pantries, community gardens, and clothing giveaways. I will be sending more information out to you.

We will be having an interest meeting on March 19 in the sanctuary at 10:30.
