"Pursuit of Excellence" through Hellenic Education
FUNDRAISING CAMPAIGN SPRING 2023

Dear Friends,

As you know, our mission at Pan Logos Foundation is to provide people of all ages and backgrounds with unmatched opportunities for the "Pursuit of Excellence" through Hellenic Education and Ideals. Our Hellenic & Intercultural Dialogue Initiatives aim to inspire and connect our beautifully diverse world through the exchange of culture, knowledge, and ideas.

In line with this mission, we are delighted to announce our second "Annual Cultural Immersion Journey & Workshop to Hellas for June 2023. In collaboration with The Socratic Experience and Expat International Schools, we have developed a 10-day program that will provide students with a unique experiential learning opportunity in Hellas (Greece)—the land that gave birth to Philosophy, Science, Medicine, Theater, Music & Arts, Democracy, and Leadership.

Pan Logos Foundation is sponsoring one (1) student's attendance. Our goal is to raise enough funds to sponsor an additional five (5) students -- something that will only be made possible through the generosity of our partners and friends.

As global citizens, we have a responsibility to educate and empower our youth so that they may live meaningful lives and have a positive impact on the world around them. We hope you will support our efforts and spread the word.

With gratitude,
Georgia Nomikos
