Director Regional Small Business Development Center

Economic Development CDFI

Great Falls Montana Development Authority

Dynamic, self-motivated leader sought to join our passionate, creative, fast-paced, and results-driven economic development team in Great Falls, Montana. Lead our 7-county Small Business Development Center (SBDC). Help start-up entrepreneurs and existing small businesses with business planning, improving profitability, introducing new products and services, market research, business management, obtaining equity and debt financing, getting export ready, and more. Help companies to position themselves for growth. Provide one-on-one advising/coaching and training, both in person and online. Supervise 1.5 SBDC team members and work with our entire 18-member staff team. Develop and strengthen our entrepreneurial ecosystem of public and private partnerships. Position requires business experience, business financing knowledge, and excellent communication and interpersonal relationship skills. Requires travel to businesses throughout our region. Salary range \$65,000-75,000 with excellent benefits, professional development, growth opportunities, and flexible work environment. Requires candidate to live in or relocate to the vicinity of Great Falls Montana, a fantastic community with cost of living only 86% of the national average. We are proud to be an Equal Opportunity Employer! Please send a cover letter and resume to Tracy Heggem, at Tracy@GrowGreatFalls.org. Position open until we find a great candidate.

Food and Ag Business Development Officer

Economic Development CDFI

Great Falls Montana Development Authority

Dynamic, self-motivated professional sought to join our fast-paced, results-driven economic development team. We're looking for a natural salesperson who thrives on reaching out and meeting new people in order to expand food/beverage/ingredient/bioscience businesses in the Great Falls Montana Region. This position focuses on: 1. Identifying potential targets, developing compelling business cases and proposals, building relationships, and securing commitments to invest in new facilities; 2.

Providing a cache of resources: market research, data, and funding opportunities; 3. Strengthening existing business relationships by connecting them with additional resources and services based on their needs. Requires excellent writing, computer, and communication skills. Experience in supply chain management for food/ingredient/beverage/bioscience manufacturing and/or sales experience, and cold calling would be helpful but not required. Salary range \$55,000-65,000 with excellent benefits, professional development, growth opportunities, and flexible work environment. We are proud to be an Equal Opportunity Employer! Requires candidate to live in or relocate to the vicinity of Great Falls Montana, a fantastic community with cost of living only 86% of the national average. Organization Information

We are growing! The Great Falls Development Authority (GFDA) is a regional public/private economic development organization that serves the 13-county urban/rural/tribal Great Falls Montana trade area. We are a certified Community Development Financial Institution, formed as a Montana nonprofit corporation with charitable 501 (c) 3 status. Our economic development efforts include business retention and expansion, business attraction, entrepreneurship, gap/bridge financing, brownfield redevelopment, talent attraction, and downtown/riverfront revitalization.

We have built an exceptional 18-member full-time professional economic development team. We host a Montana Small Business Development Center, APEX Accelerator and Food & Ag Development Center and provide office space to the Montana Manufacturing Extension Center. We helped create and are partners in the Montana Defense Alliance, Great Falls Downtown Development Partnership, and Great Falls Tourism Alliance. We have \$35 million in loan capital, and through our non-profit affiliate, High Plains Financial, we offer SBA 504 loans statewide. GFDA is the developer of the Great Falls AgriTech Park, a 1,000+ acre BNSF Premier certified rail industrial park.

GFDA is a partnership comprised of a wide array of partners. These include Cascade County, the Great Falls Area Chamber of Commerce, NeighborWorks Great Falls, Great Falls Tourism, Great Falls International Airport, Great Falls Public Schools, the Little Shell Tribe of Chippewa Indians, Great Falls College Montana State University, the University of Providence, Great Falls Business Improvement District, Central Montana Building Trades, Great Falls Homebuilders Association, and over one hundred fifty businesses in the region.

GFDA was the first economic development organization in the Rocky Mountain West to earn accreditation from the International Economic Development Council. We continue to earn the Platinum Seal of Transparency from Candid/GuideStar. Our efforts have won awards from the National Association of Development Organizations, the International Economic Development Council, the National Brownfield Conference, the U.S. Small Business Administration, and the Montana Economic Developers Association.

We offer a positive teamwork environment, competitive salaries and benefits, professional development, flex and remote work, and advancement opportunities. We are proud to be an Equal Opportunity Employer.
