Hello friends. Let me start by saying the transitional meeting was amazing. I had so much fun and it seems that all who were able to attend did as well. Thank you for your attendance and participation! I'm sending out a special thank you to my club and my wife Kirsten for all the hard work to put on the event. I know there were many others that helped but wanted to mention Melanie and Mike for the coordination and mics and music.

Melanie and I will be working on a visitation schedule and let you know as soon as we can. Please take advantage of the trainings the district will be putting on in different areas as well as other district meetings. Each meeting will highlight different subjects. During the meeting in Yreka, I will be putting on a mini training about Emotional Intelligence.

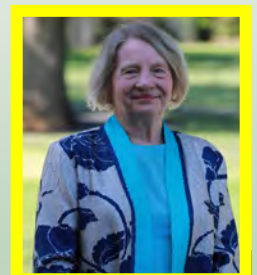

Please read emails from the district to keep up-to-date as well as our Facebook page. Have a great month!

GATHER SERVE GROW

The restrictions of the COVID-19 pandemic left many community organizations with declining participation. Lions Clubs worked hard to adapt to recruiting challenges. Scouting faced similar difficulties. In Weaverville, Cub Scout Pack 15 and Boy Scout Troop 15 closed over five years ago. I was a member of both many years ago. Their absence has been felt deeply in our community.

For decades, the Weaverville Lions Club was the charter sponsor and caretaker of the historic Scout House, supporting generations of young people. One question surfaced, **“Is there any chance the Scouts might return?”** Unfortunately, many families became accustomed to staying home, avoiding group activities, making recruitment a persistent challenge.

In an effort to re-engage young people and their parents, the Weaverville Lions Club sponsored a special historical Cub Scout event — a Pinewood Derby. The club borrowed a derby track from the Golden Empire Scout Council in Redding and purchased more than 200 Pinewood Derby car kits to give away to anyone interested. We also invited Scouting America’s liaison and District Executive, **Jeanine Tapal**, who set up an information table to support recruitment efforts. Together, the Lions and Jeanine were determined to find future Cub Scouts also the most critical ingredient; new Scout leaders.

I’m proud to report that our efforts paid off. We welcomed **130 cars** to the first Weaverville Lions Pinewood Derby. Lion **Rex Murphy** took home the title in the Old Men’s Division, and—most importantly—we found a committed new Cub Scout leader whose son is eager to join Scouting. Thanks to this success, the Weaverville Lions Club will once again serve as the charter sponsor of **Cub Scout Pack 15**.

It may take decades for the world to fully move beyond the effects of COVID-19. Recruiting new members and growing the Lions Club will continue to be a challenge. But progress starts with small, meaningful efforts—just as this derby did.

And as every Cub Scout knows, **“Do Your Best.”**

PEACE POSTER CONTEST
Official Club Contest Guide & Rules

LIONS INTERNATIONAL PEACE POSTER & PEACE ESSAY CONTEST

Students are back at school which means that it is time to be thinking about the Peace Poster Contest (or Peace Essay for only visually impaired students). The students need to be 11-13 years old.

The theme this year is "Harmony in Humanity"

So please contact your school and see if the art teacher will make this part of their art program. You will need to order a kit - a physical kit is \$11.95 + shipping \$11.95. A Digital kit which has the same components is the same cost but no shipping cost.

To order - Visit the Lions Shop at shop.lionsclubs.org & search Peace Poster kit and everything you need will be in your kit.

DEADLINES - (1). You must order your kit by October 1st. I got my kit in less than 1 week, and you will have instant access if you go digital. (2) I am in charge of the District Level contest and need to have your winning poster no later than November 15th.

If your Club is going to participate in the contest please let me know and who your contact person is. Also feel free to call or text or email me at 530-941-7635 or christinebohn61@gmail.com if you need help or have questions. Lion Chris Bohn

Everybody's Birthday Party was a great evening for all who attended on July 15th. Great gifts and laughs were exchanged, plus a great meal was had by all. During that same meeting Lion Diane (not Lion Linda), received a pin and acknowledgement for her latest sponsorship of a new member.

Our newly elected District Governor (our own Lion Jason) came back from the Lions International Convention in Hong Kong where he was inducted with all of the governors. He comes with a wealth of information and the enthusiasm to kick some Lion, you know what. Look out, it's going to be one heck of a year.

Community service on the water — volunteers making a difference

The Enterprise Lions Club once again demonstrated its commitment to community service by sending a team of dedicated volunteers to support the Redding Regatta, one of Northern California's most cherished rowing events. Held along the scenic Sacramento River, the regatta brings together rowing enthusiasts, families, and community members for a weekend of competition, camaraderie, and celebration. This year, the Enterprise Lions Club played a vital role in ensuring the event ran smoothly from start to finish.

Lions Club members arrived early and stayed late, pitching in wherever they were needed. Down by the water, Mike Ferrier took on the role of master of ceremonies, energizing the crowd as he announced the races and kept the excitement going throughout the day. Marc Romero and Club Second Vice President Sue Kerr manned the Lions Club booth, greeting visitors, sharing information about the club's mission, and connecting with community members. Lion Maureen Robison brought her own special flair to the festivities, sporting eye-catching tie-dye shirts that she spent the entire weekend preparing. Her dedication and enthusiasm were contagious — Maureen poured her heart into getting everything just right and was an absolute standout all weekend long. Other volunteers helped with event setup, food service, logistics, and outreach — each one contributing to a well-run, memorable event.

The Redding Regatta holds a special place in the hearts of local residents, and the Enterprise Lions Club's participation underscores the organization's deep roots in the community. By contributing their time, skills, and spirit, these volunteers helped create a welcoming and well-organized event that participants and visitors will remember fondly. Their efforts reflect the Lions Club's unwavering belief that ordinary people can accomplish extraordinary things when they work together in service to others.
