## ***"BLUE SKIES AND TAILWINDS"***

**District Governor Sue Kerr**

It is that time of year that we ask our members to think about spreading their wings to start on a new adventure. If you don't ever lift off, how will you know what endless possibilities might lay before you? We are looking for a leader to join the District 4-C1 Governor team. At our February 23<sup>rd</sup> district meeting we will accept nominations for a 2<sup>nd</sup> Vice District Governor. There are so many of you that would be great co-pilots and navigators, it takes a team to keep the district running smoothly and on course. Think you don't know enough? California Lions and Lions International do a great job of putting on Leadership trainings. There are webinars,

Videos and all sorts of help on the LCI website. The entire district crew is available to answer questions, give support and help you on your journey. An entire new world opens up as you

explore this new territory. Please consider the benefits to you and your district.

A quick update on the Camp Fire Relief effort. The Chico relief center has had to close because the space that was given to us has been leased as of February 1<sup>st</sup>. The Center in Gridley still remains open for a time. We served over 8,000 people during our stay in Chico, it was a huge effort that was kept going by Karen Crook and Linda Dunning and so many that volunteered every day to keep the center organized and stocked. It seemed like we could not give much,

but everyone that we could help was so grateful. The volunteers showed nothing but kindness and respect for everyone that came in for help; I truly feel that we made a positive impact on their lives. I am so proud of our district, we have taken to heart the Lions motto "We Serve".

### District Governor's Message Continued

Our job is not over, we hope to set up a spot in Paradise where we can help on a more individual basis.

I was speaking to a friend a few days ago, she made the comment that the community now knows who the Lions are and what they do. They see our Logo as they come in to town, but now it is known what that means. It means we are here to help our communities however and whenever we can. We help in small ways and in big ways. One pair of glasses at a time to helping thousands at a relief center. We are being noticed! A lot of the information as gone out over the internet and has been very successful in showing our neighbors and communities just what Lions do. Keep posting, it is working.

I am hoping to see many of you at our district meeting, lets reach for the stars!

*"Just when the caterpillar thought her life was over, she began to fly"*

***GRIP IT AND RIP IT!***

2019 has come in with a bang for me and not in a very positive direction. I apologize to all the clubs that I was supposed to visit with DG Sue, but I have been caring for my father and unable to leave him in order to attend.

Fortunately, things with my father have settled some so my life should resume some normalcy.

This situation has reminded me, that as Lions, WE SERVE, but we need to remember to serve ourselves as well, and family comes first. I would like to thank everyone for their continued support during this difficult time.

Please remember that everyone is going through something and we need to take into account that not everyone handles things the same way. Being understanding and supportive is usually the best medicine for situations like these.

As I prepare for a very busy February, Council of Governors meeting, State Convention in Sacramento and then immediate travel to Illinois for my District Governor Elect training I am very blessed to have my affairs in order. I look forward to a wonderful Governor year serving our District.

Hopefully, I will see many of you at our February District Meeting in Sutter on February 23.

Once again, serve well and often and be mindful of the circumstances in other's lives.

Thank you for your support and service.

As members of this great Lions Clubs organization, I can confidently say that all of us feel the need to help others. Sometimes we enjoy helping others so much that it is difficult to say 'No' when we are asked. Then, if you are like me, you will take on more than you can handle, and you try to do everything yourself. So why do we do this? Because we feel like we must make sure the tasks get done correctly. However, this is the root of the issue, being afraid to let go is the root of the issue. Like a small business owner, Lions Club leaders also struggle with the same concept.

Lions, like a small business owner, also has difficulty delegating responsibility. It becomes a challenge to scale effectively because they are afraid to delegate tasks or take on employees to grow their business. The fear comes from the unknown, maybe it's a lack of trust, knowledge or lack of trust in their skill set. Either way, the business owner then carries the burden and the company will either fail or plateau and it stops producing economic growth.

Like a Small Business owner, if Lions leadership within your club does not delegate tasks, it becomes a challenge to scale a club or attract members. Since Lions are so open to helping others, delegating tasks to another Lion is easy! When you have too much on your plate with tasks that need to be completed, ask another Lion to help you. I guarantee there is a Lion in your club that has not been asked to help and they are squirming with anxiety waiting to be asked to take on some sort of responsibility.

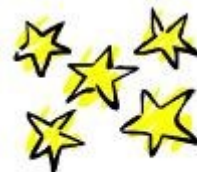

In conclusion, members in your club look up to your leadership for guidance and responsibilities. Often it is the leaders in the club who end up doing ALL the planning and tasks associated the upcoming project or fundraiser. To exercise the skill set of being a better leader– apply the act of delegating tasks to other members. Give them responsibility and show that you and your club trust their skills set. This will not only create comradery within your club, but it will also create better leaders within District 4-C1.

Let me know if you have any questions.

Lion Tyler Spencer

2<sup>nd</sup> Vice District Governor

### A Local Charity Solution: Camp Fire Hope 4 Homes Combats Devastation left by California's Deadliest Wildfire.

Camp Fire Hope 4 Homes sponsored by Oroville  
Hope Center moves to provide housing to the  
survivors of this catastrophic event.

th, 2018, California's deadliest and most destructive wildfire  
devastated an entire town of more than 26,000 people.  
Thousands were left in its wake without a home.

In 8 hours,  
the fire  
destroyed  
over 14,000  
homes,  
numerous  
businesses  
as well as  
countless  
jobs.

Unfortunately, over two months later, families continue to be separated from each other and too many people are still sleeping in tents and cars.

At Hope 4 Homes we are striving to relocate displaced families with children or disabilities out of tents and cars and into travel trailers.

If you have a good running, usable RV, motor home, travel trailer or truck, please consider donating to this cause.

All donations are allocated for individuals impacted by the Butte County Camp Fire.

Thank you for your generosity and support.

Please message us if you have a vehicle to donate. All donations are tax deductible:

<b>GLOBAL ACTION TEAM</b>		
<b>New Ideas for Membership</b>  Our District held a successful Membership Workshop on January 12 <sup>th</sup> in Redding. Lions from 11 clubs attended. It was wonderful to see members from Anderson, Chico Breakfast, Enterprise, Fall River, Fort Jones, Lakehead, Shasta Lake, South Siskiyou, Sutter, Trinity Gold Diggers and Trinity Lake joining together to focus on retaining our current members and identifying and recruiting new ones.  The main presenter was Past Council Chair Mary Rynearson from San Diego and 1 <sup>st</sup> Vice District Governor Elisa Coyle and Lion Mike Ferrier were also part of the presentation team.  As is always the case, it was especially good to hear from our own District Lions about their successes as well as their challenges. We have so many accomplishments and good ideas to share amongst ourselves when we get together at the District level. Let's keep the ball rolling at our next District Meeting on February 23 <sup>rd</sup> at the Sutter Youth Organization Hall.	<b>Service Shapes Our Future</b>  Since the start of the current Lions year, our Clubs and our District have been beset by a multitude of unexpected challenges. With fires burning on all sides of us our Lions have been called upon to respond to initial urgent needs of fire survivors and then to seek out our place amongst all of the organizations and entities providing services and support in the aftermath.  In our organization as in many others, during periods of time when things are relatively stable and we are focusing on our "tried and true" service projects, it often seems to be the same handful of people who step up to lead these endeavors. However, when urgent or larger-scale needs arise, we often see Lions who normally remain in the background come forward to head up a response to an issue that touches them on a personal level. They may not even realize that they are stepping out of their comfort zone and into a leadership role until they look back to discover that others are following their lead.  During the past few months there have been several Lions who have emerged as leaders of our fire relief efforts – some of them surprising even themselves by what they have been able to accomplish. The desire to provide a service is what coaxed these Lions into new roles. Purpose-driven leadership is a powerful thing. Let's be on the lookout for opportunities to recognize our leaders of the future as We Serve together.	<b>Succession Planning</b>  As January comes to a close, my thoughts turn to renewal and starting fresh. February soon follows, celebrating the birth of our first President, who famously decided to step aside to give others a chance to lead our Nation. Even though it seems far away, Lions at the Club level and above need to start thinking about who will be asked or needs to be prepared to take on various leadership roles, running the gamut from Activity Chairpersons to Club and District Officers.  It may seem early to start this process; but, the benefits are immeasurable. For example, it allows the ability to prepare for unexpected events, like a sudden illness or change in job status of an officer. Succession planning also allows each member to develop their leadership skills as well as giving future leaders the opportunity to move up. So start now by letting your 1 <sup>st</sup> Vice President run a meeting or providing mentorship to a future Activity Chair or Co-Chair. You will be glad you did!
<p>"Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring; all of which have the power to turn a life around."                      (Leo Buscaglia)</p>		

### LCIF NOTES

By PDG Maggie Robeson

**To All 4-C1 Clubs:**

**You have the chance to support our Lions Clubs International Foundation by becoming a 100% Contributing Member Club. For a donation of \$20 per member, you would qualify for this elite status. Currently our District has five 100% Contributing clubs. They have received a beautiful banner patch for their first year's contribution and a rocker for every subsequent year. They will be recognized at the Melvin Jones Breakfast at the MD-4 Convention in Sacramento on February 10.**

**Would your club consider joining their ranks and giving back to our Foundation? As you know, our District has received Emergency Grants from LCIF for both the Carr and Camp Fires. Another plus is that your club accrues monies toward a club Melvin Jones with this donation, enabling you to recognize one of your members with a Fellowship.**

**Another nice way to donate is to purchase an LCIF pin for \$50 or \$100 (silver or gold). This is a visible display of your support of our great Foundation.**

**I have forms and pins and will bring everything to our District Meeting in Sutter or you can contact me at [smrobeson@yahoo.com](mailto:smrobeson@yahoo.com) and I will mail to you.**

**PDG Steve Robeson**

**The time for you to start working with your schools in order to present our Student Speaker Contest is upon us. I'm sure you are planning for you February Club Contest. Good luck to you and your club representatives.**

**It was nice for me to receive a communication the other day from a club in our district which is planning an annual fund-raiser to help our district toward the difficult task each year of attempting to raise \$7,500. We usually don't raise our fair share, but the MD 4 Student Speaker Foundation keeps funding our district's expenses. We appreciate the clubs and individuals who DO give annually. If your club doesn't contribute to the Foundation, please consider a discussion at your next board meeting. Remember, funding your club contest is not contributing to the Foundations expenses on our part.**

## **Lions White Cane DAYS 2019**

### **White Cane History**

In 1921, James Biggs, a photographer from Bristol, England, became blind following an accident. Because he was feeling uncomfortable with the amount of traffic around his home, he painted his walking stick white to be more easily visible.

In 1930, Lion George A. Bonham, President of the Peoria Lions Club (Illinois) introduced the idea of using the white cane with a red band as a means of assisting the blind in independent mobility. The Peoria Lions approved the idea, white canes were made and distributed, and the Peoria City Council adopted an ordinance giving the bearers the right-of-way to cross the street. News of the club's activity spread quickly to other Lions clubs throughout the United States, and their visually impaired friends experimented with the white canes. Overwhelming acceptance of the white cane idea by the blind and sighted alike quickly gave cane users a unique method of identifying their special need for travel consideration among their sighted counterparts.

Also, in 1931, in France, Guilly d'Herbement recognized the danger to blind people in traffic and launched a national "white stick movement" for blind people. She donated 5,000 white canes to people in Paris.

Today white cane laws are on the books of every state in the US and in a few other countries, providing persons who are blind a legal status in traffic. The white cane universally acknowledges that the bearer is blind. It is celebrated internationally on the fifteenth of October.

### OFFICIAL VISITATION TO THE LOMA RICA FOOTHILL LIONS CLUB

On Thursday, January 17, 2019, District Governor Susan Kerr, Region Chairman, Lion Susan Piaskowski, and Zone Chairman, Lion David Jensen, visited the Loma Rica Foothill Club. During this visitation it was our honor to have DC Susan conduct the induction of our newest member, Lion Victor Leighton, sponsored by Lion Ray Collier.

DG Susan did an outstanding job, which made the ceremony special for Lion Victor. DG Susan quizzed the new member by asking him questions about Lions' history. New Lion Victor had two out of three correct. Good job Lion Victor.

DC Susan gave an inspirational presentation about how she became a Lion and how and why she decided to go into a leadership role. She told us how her experience as a flight instructor gave her the confidence to take on the challenge.

We had a lovely dinner prepared by the Lions Chefs, which included Chicken Marsala, rice pilaf, veggies, rolls and luscious cakes home-baked by the Lions Ladies.
