Hello again, friends,

About the time this article is coming out, we will be having club officer training in Gridley. This is another opportunity for us to get together to learn and socialize. I'm very excited about our next district meeting on October 17th in Fort Jones. The club will be serving breakfast and tri-tip sandwiches for lunch. We plan to have Live music for lunch, and I will be speaking on emotional intelligence and leadership. I hope you can come and enjoy our fall-themed event. Kirsten and I will be staying at Rain Rock Casino on the 16th, and the Fort Jones Lions Club will be arranging a no-host dinner at a local restaurant. Another chance to "Gather".

Melanie and I are working on finalizing the visitation schedule. I have plans to visit a couple of events for different clubs so I can get to know more of you better. In addition to visitations, I plan to attend more events throughout the year in different parts of the District.

Second Vice District Governor Celestina will be putting together a zone and region chair training soon. We would like to empower those chairpersons to assist clubs even more in leadership and membership. In the coming months, they will be working closer with each club.

Have a great month! Remember to value and respect each other and

Labor Day weekend is usually a relaxing close to the summer—unless you're part of the Trinity Lakes Lions Club. On Saturday evening, the Club hosted its final bingo night of the season at the KOA campground. This weekly summer tradition is one campers, look forward to and the Trinity Lake Lions drew an impressive turnout of 80 enthusiastic players.

By early Sunday morning, preparations were already underway for the annual Fly-In BBQ, an event the Trinity Lake Lions have proudly organized for more than 50 years. Charter member and pilot Lynn Scott played a key role in establishing the tradition. With Trinity Center perched along the shore of Trinity Lake and home to what many consider the best airport in Trinity County, it's no wonder so many pilots once lived there. I can still remember being eight years old, watching impromptu air shows at the BBQ—memories that have lasted a lifetime.

This year's Fly-In BBQ included a show-and-shine car show and featured a variety of local vendors, adding even more charm and excitement to the event. Club President Scott King reached out to see whether any Weaverville Lions could lend a hand, and a dedicated group showed up to help serve meals. According to President Scott, more than 300 meals were served on Sunday—an impressive effort by all involved.

Community fundraisers like this require weeks of planning, coordination, and teamwork. I want to extend my congratulations to the Trinity Lake Lions for hosting yet another successful event, and to thank them for their hard work and commitment throughout Labor Day weekend 2026.

At the Butte County Fair beer sales, Feather Falls Brewery was our lead distributor this year, along with 2 other beers from other breweries. We sold beer at the north end of the Midway, on the four corners, as well as on Saturday at the Junior Livestock Auction.

National Night Out was another huge success for the Gridley Community. We again cooked nearly 350 hotdogs for the youngsters, some of which were donated to us by the owner of Squeaky-Clean Car Wash in Gridley, many thanks. The hot dogs were accompanied with chips and a water. Around 73 bicycles were given away, donated by groups and members of the community along with ??? backpacks. Our club donated 2 bikes & helmets, plus 5 backpacks. Thanks to all that helped that night.

WOW!!!! HOW MANY TACOS?

These Lions are amazing women of service! Monday Aug 3, 2026 535 oh-so-yummy tacos flew out the door to feed our friends, neighbors, and local taco lovers (just a bit more than the TERRIFIC TACO TEAM had expected). Talk about a labor of love.... it was HOT in that kitchen....they ran short of food and had to buy more.... some people had to wait longer than the Team would have liked for their orders... and yet there were so many happy faces to be seen. The TERRIFIC TACO TEAM includes Lions Sheri, Linda, Colleen, Kathy, Karen, Joline, Delores, Jean Marie, Marilyn, Cheryl, Peggy, Cindi, Susie, Joni, Janet, Kim, Vera, Gerry, Carol, Liz, and Lori.

Lions on the TERRIFIC TACO TEAM, what great service you provide and you are incredible volunteers and so many of us on the TACO TAKER Team cannot thank you enough.
