4 C-1 DG Michele Martens

It was wonderful to see so many of you at the Transitional Meeting on Saturday, August 9, 2025, in Paradise, California. I hope everyone who attended had fun and took away something positive to take back to their respective clubs for 2025–2026.

This year, we are excited to welcome a new addition to our District Leadership team. We will now have Second Vice District Governor. Please join me in giving a warm welcome to Scott Muir of the Weaverville Lions Club. He stepped into this important role, joining Jason Piazza and myself. We are introducing a new focus area; *Mental Health*. If you or your club have project ideas in this category, we encourage you to share them. Together, we can make a meaningful difference in this vital area of service.

My visitation schedule will be announced very soon. Once it is shared, please review it and let me know if the proposed dates align with your club's calendar.

As summer winds down, I wish you all a wonderful season's end. Until our next communication—keep the good in action! Let's go Lions

4 C-1 1VDG Jason Piazza

Hello Lions of District 4 C-1,

Thank you to Lion Barbara and Lion Melanie for the very nice introduction. It has been a very busy time for me just like many of you, I'm sure. Taking over as the Gridley Lions Club Treasurer, serving as the 1st VDG and as a Zone chair is and will be challenging while finishing my master's degree, working full time and life in general! I am so blessed in so many ways and I am so excited to be serving all of you and my community. I look forward to meeting more of you and getting to know you over the next two years. See you soon.

We Serve Together!

Redding Hosts Lions Club

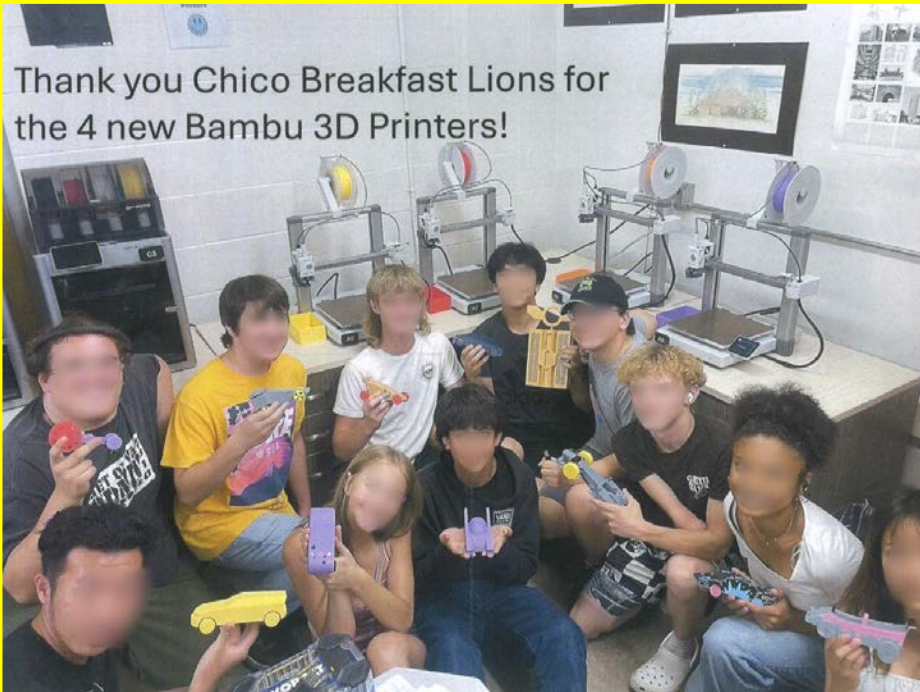

At our District Meeting on August 9th, Redding Host Lions Club Secretary Launa Myers accepted an award to the Club for 3rd place for visitations during the 2024-25 year.

Chico Breakfast Lions Club

Thank you Chico Breakfast Lions for
the 4 new Bambu 3D Printers!

Chico Breakfast Lions made a donation to the Chico High School department of Architecture and Engineering. The endowment was used to equip the school's program with four BambuLabs A1 3D printers. Pictured are several students with some of their 3D printed projects. The bare-bones printers give the students the opportunity to design/print custom fixtures that will expand the printer's capabilities.

4 C-1 Health Foundation

A BIG THANK YOU FROM LIONS DISTRICT HEALTH FOUNDATION

The Lions Youth Diabetes Camp at Lake McCumber was held June 22 -28 with 30 campers and 37 adults serving as Medical Staff and Counselors. It was a wonderful week for all involved. The District Health Foundation wishes to recognize and thank the clubs and individual Lions who donated camperships. The support from our District was fantastic – from clubs who went out to prepare their cabins, to clubs who purchased Health Foundation Fellowships to help fund the Camp, and to all who sent funding for camperships.

Enterprise Lion Mike Ferrier brought his sound and light show equipment and made the Friday night dance a great event.
