"BLUE SKIES AND TAILWINDS"

District Governor Sue Kerr

Ahhh, Spring is coming, a little at a time. Today Redbud is in bloom, my daffodils have come and gone and there are many bird songs making a wonderful symphony. I am relishing the warmth of 70 degree days. The last few days I have spent cleaning out and reorganizing drawers, throwing out what I no longer need or use. I know there is still more to cull out, but I can only stand to give away a little at a time.

Spring is a good time to take a good look at our club service projects and fund raisers. Are there some that we just keep around because we have just always done that? Does it still fit?

;needs changed? What new goals has your community set to make a better place for everyone?

If the last time you did a Community Needs assessment was 5, 10 or more years ago, your club is probably out of touch with what can really be done to make a difference.

Get to a place where you can see the "big picture", you would be amazed at what you might learn. When I fly, I am always amazed at how our valley is constantly changing. One day it is all brown, and the next it is green with areas of yellow, pink, purple and all colors of wildflowers.

It never looks the same, even if I have just gone up yesterday. Our community needs change in

the same way. Meaningful projects are a way to retain new members and to invite new members in. If it was boring to fly, I certainly would not still be in the air. The path to finding new projects is not always easy and there will be some failures but the journey to keeping up with our communities is always worthwhile and rewarding. This does not mean we throw out everything! Of course, there are fun and worthwhile events we do every year and our communities love that we keep these traditions going, these are the “keepers”. The best is a blend of the old and the new.

Our new LCI website has a lot of ideas for new projects. There are ideas and planning help for all the areas we as Lions are focused, Sight, Diabetes, Childhood Cancer, Hunger and Environment. Take a little tour, there are small, medium and large projects. Some of the larger projects could be a chance to join up with another club. Let's make a difference.

WE SERVE!

GRIP IT AND RIP IT!

CONVENTION IS COMING!!!! I hope to see you all in Redding for our Annual Convention. This is a celebration of all our hard work this past year. If you have never been to a Convention now is a great time to do so! As part of the District Leadership I want to encourage your participation. This is a Celebration of all of YOU!

This has been a challenging year, with all the fires and relief efforts along with all our regular service activities. It is not too late to register, and we **WANT YOU!!**

The Food Fair USO Party is going to be a grand event, with good food, great fellowship, entertainment and fun activities. Throughout the weekend there will be recognitions of the services of our members. There is no better way to get to know your fellow Lions in the District than attending a convention. Fellowship is the order of the day!

Your Convention Team works diligently to make the convention fun and worthwhile. Please consider attending.

If you can not make convention this year seriously consider it for next year. I look forward to seeing you there!

Lions of C1, continue your good works and please make sure to have fun while doing it!!

Thank you for your support and service.

Leadership is not a matter of chance, it's a matter of choice

Everybody at one point in their life has the chance to be a leader and lead a team of individuals, whether it is in Lions Club or at work. Here are three things a leader must do to be a good leader: Direction, Focus and Motivation.

Yogi Berra said, "If you don't know where you are going, you might end up someplace else." Direction is the first guide to leadership, providing good direction will show the group what direction you are going. Provide good clear and precise direction for your club to meet your clubs' goals. You must be confident in your decisions and show your team that confidence that you believe in the direction they are going. As a leader you create direction for your team and determine what needs to be focused on to achieve the goals that are put in place. Think of it like reading a road map, you have to determine where you are going to end up before you plan a trip to get there.

George Lucas says, "Always remember, your focus determines your reality." The focus that is put in to those tasks will direct your club in the right direction. Focus is the second guide to leadership, this hinges on the kind of thoughts you think, so hold an image of the result you want, and that image will become reality. Tell your group what tasks need to be focused on to meet the goal that will lead them in the right direction. Create a plan and start with the end in mind, determine where you want your club to be, then work backwards to create focus points that will lead your club towards that mark.

Walt Disney said, "The way to get started is to quit talking and begin doing." Creating the "why" behind the direction is a key component to motivating your team. Motivating your members to focus on its clubs' goal can prove to be a challenge. One way to make it exciting and 'pump up' your team is to pair up is to focus on the purpose behind what you are trying to accomplish. Another way to instill motivation is to pair up people who have different skill sets, this can often motivate each person to be better because each person can hold the other accountable for their tasks. The last key to motivating your team is to praise them for their efforts. Nobody likes to do a bunch of work and receive no recognition for it, especially in a volunteer organization! With that said, praise your team early and often for accomplishing goals that contribute towards the direction that the club is heading.

In closing, to be a good leader in your Lions Club practice these three steps to leading a team. Give them a Direction to go, determine what to Focus on and Motivate them to get there!

MEMBERSHIP CORNER

PDG Maggie Robeson

District GMT Coordinator

4-C1 Lions,

It was a great month to add new members! The following clubs inducted new Lions:

Hayfork added Shawnee Minor, Linda welcomed Roy and Cheryl Bourg, Foothill brought in Donald Lee, Paradise Host welcomed Jim Dill and Peggy Schader, Forest Ranch added Ben Hart and Todd Brownell, Lakehead welcomed Lyn Sheats and Linda Adair, and Redding Host had Karen Simmons and Susan Pearce join. The total for this month's report was a whopping 12 new members! Welcome to all and congratulations to the clubs who brought you in.

If any of you new members are able to attend our District Convention April 12-14 at the Redding Red Lion, there are special activities and recognition just for you. We'd love to see you there.

LCIF NOTES

During the recent MD-4 Convention in Sacramento, a very nice Melvin Jones Breakfast was held. 100% Contributing Member Clubs were recognized and awarded plaques for their 2017-18 donations. Our District had five clubs honored:

Enterprise Scott Valley Etna, Fort Jones, Graeagle and Gridley

There are only 35 100% Contributing Member Clubs in all of California's 725 clubs. This year's contest is open until June 30. For \$20 per member, your club could join this elite group. All monies donated count toward your club's credits for a Melvin Jones Fellowship.

It is always very special if we are able to award any Melvin Jones Fellowships during our District Convention in April. Is your club interested in presenting one? Maybe it is possible to do one special fundraiser or a pass the hat collection to get your club's credits with LCIF up to \$1,000. Applications sent in the next few weeks should ensure that the plaques would be ready by Convention.

We continue to sell tickets for our own Melvin Jones Raffle for \$25 at each District Meeting. At the November meeting, PDG John Robak was the raffle winner and he will be receiving his Melvin Jones at Convention.

LCIF has launched Campaign 100 ---A Capital Fundraising Campaign to Empower Your Service. A new incentive is that when a District donates at least \$10,000 in a fiscal year, they qualify for a 15% rebate. The District Club Sharing Grant allows clubs to apply to the District for monies for any humanitarian project they do. These rebate monies stay in the District account for 10 years. In past years our District has donated more than \$10,000 many times. This sounds like a win-win situation!

Please contact me if I can help with supplying/completing forms or answering any questions.

PDG Maggie Robesonsmrobesson@yahoo.com

Hi Everyone,

I want to start this with a shout out to all that were able to come down to the Silver Dollar Fair grounds yesterday, Our 2 newest members Jim Dill and Peggy Schrader, Al Howard, Mike n Betty Iijima, Karen Sanders, Barbara Braun, Allen, Ruth Van Essen and Ruth's sister Donna, Linda and Glenn Dunning from Chico Breakfast, The Foothill Lions from Loma Rica, The Sunset Buttes Club in Yuba City, Governor Sue Kerr, PDG Jamie Hart, and I am probable missing a few. THANK YOU!!!!

Out of the 1651 people that came to the event, we screened 153 people, only 5 were children, out of that 80 people need to be referred. WOW! That is the largest number we have EVER referred. For some of these people due to relocation, I will be getting ahold of a club in their area, Oakland, Fairfax, Corning, Orland, Durham, Oroville, Biggs, these clubs will assist in getting the people to an eye Dr in their area.

For me personally, I had a blast! I was able to reconnect with people that came into our Disaster Relief Center in Chico on a regular basis. It was wonderful to see them smiling and have fun. It was a very noticeable change from how they looked coming into the center - you could see the disappear, the look of feeling lost and scared. But yesterday, smiles, happy, getting better, moving forward with their lives. It brings me to tears seeing everyone doing better. They are far from great, but they are moving forward.

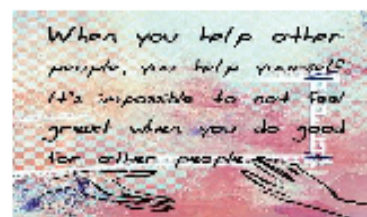

Thank you again everyone that came out. Please forgive me if I missed a name but do remind me so we can count your hours.

Oh, one last thing, we were also able to give out \$2,000. in gift cards, so people could get gas, propane or food. At the event a total of \$9,800. in gift cards were given out.

There will be more opportunities to participate in these outreaches. I will keep you updated as to the when and where.

With great respect,

Lion Karen Crook

61st Annual Convention

Welcome to the Red Lion Hotel in beautiful Redding, California and the District 4-C1 61st Annual Convention. The Red Lion staff and the convention committee have worked hard to make this flight-themed weekend an event you will enjoy and remember.

Each morning the hotel provides a full breakfast for registered guests. Friday morning starts off with our annual golf tournament or special outing for non-golfers. Later in the day the Convention will officially open, followed by hospitality and the Food Fair. The "USO Hangar Party" themed Food Fair is a costume event with prizes for best dressed and best booth and special entertainment.

On Saturday, the parade of banners will be followed by a business session, some inspiring guest speakers and a great lunch. Don't miss the District Student Speaker Contest on Saturday afternoon. Join us Saturday evening for the Governor's Banquet, presentation of district awards and an evening of dancing and fellowship accompanied by some great 40s music.

Sunday morning get underway with a memorial service and our annual election. The final Convention session will culminate with announcement of election results and a raffle.

I want to thank the entire convention committee for all their hard work and effort. It's no easy job to produce our convention and it requires many hours of work. On behalf of District 4-C1, I invite you to have fun, renew old friendships, make new ones. I'm happy to share this weekend with you. Come fly with us and let the fun begin.

**International Director
TOM GORDON (Lion Gillian)**

Tom Gordon from Newmarket, Ontario, Canada, was elected to serve a two-year term as a director of Lions Clubs International at the association's 100th International Convention held in Chicago, Illinois, June 30 through July 4, 2017.

Director Gordon is a retired educator and owner of a human resources training company.

A member of the Newmarket North Lions Club since 1982, he has held many offices within the association, including club secretary, treasurer, and president, zone and region chairperson, district governor and council chairperson and multiple district GLT coordinator. In addition, Director Gordon has presented training and information seminars at local, multiple district, and international conventions. Director Gordon is also a Lions Quest trainer and trainer-of-trainers and has presented Lions Quest workshops across Canada and the USA since 1988. He is also a member of the faculty of the USA/Canada Lions Leadership Forum.

In recognition of his service to the association, he has received numerous awards, including the Membership Key Award, the Extension Award, two International Leadership Awards, and two International President's awards. He is also a Progressive Melvin Jones Fellow.

In addition to his Lions activities, Director Gordon has been active in numerous professional and community organizations, and has served on the board of directors of York Region Addition Services, Habitat for Humanity and Lions Quest Canada.

Director Gordon and his wife, Gillian, who is also a Lion, have two daughters, one son, two nieces, three grandchildren and four grandnieces.

LCIF NOTES

PDG Maggie Robeson, District Coordinator

4-C1 Lions,

Many of you have told me of your intention to submit Melvin Jones Fellowship applications or 100% Contributing Member forms. Thank you for your interest and for supporting our Foundation. I'll put out an updated list after the next LCIF report comes to me.

During our Convention we do have a special time to celebrate all the Melvin Jones Fellows in the District and welcome any new ones. If your club is sending in any Melvin Jones applications and would like your recipient recognized on Sunday, April 14, please let me know.

Thank you.

*******YES—LIONS RECYCLE—YES*******

Recycle—Yes, we RECYCLE eye glasses, cell phones, prescription bottles, printer ink cartridges, and hearing aids.

We have several chairmen for the various recycled items:

PDG John Robak—eye glasses, cell phones, hearing aids, and ink cartridges. (Yreka Host Lions Club)

Lion Linda Bullock—prescription medicine bottles (Trinity Lake Lions)

Lion Roger Plato (Redding Host Lions) is the chairman of the pull-tabs for the Ronald McDonald House. The pull-tabs may be brought to the cabinet meetings as well to be weighed for entrance into the pull-tab contest.

All the recycled items can be brought to the annual Convention. Please make the Recycle program a part of your club's activities.
