

John Redemske, Member-at-Large

John Redemske moved to Durango eight years ago with his wife after spending 32 years working as a metallurgical engineer in southern New Hampshire. He is an avid contra dancer. He was an active member of the Unitarian Universalist congregation in Milford, NH for about 15 years and was on the team to oversee the doubling of the size of the 1888 vintage church building, adding proper classrooms, offices and a fellowship hall.

In Durango, retirement allowed for lots of hiking and horseback riding up in the mountains with his now late wife Susan. He has one adult daughter, one adult stepdaughter and a 7 year old granddaughter.

In Durango, he was almost immediately involved with the Unitarian Universalist Fellowship of Durango and has served as the Building and Grounds Committee chair for the last 5 years. During that time he coordinated the conversion of the 2nd floor of the San Juan building from an apartment to the church offices, the expansion of the sanctuary space and the expansion of the chancel in the sanctuary building. He is pleased to also serve as a member at large on the Board of Trustees starting in 2020.
