### **A-RODMEN TO JOURNEYMAN RODMEN UPGRADES**

Upon completion of the A-Rodman training curriculum listed above the candidate will be evaluated by the Union JATC and the employer. After getting a passing score that member will be advanced to Journeyman.

An A-Rodman who has not completed the A-Rodmen training curriculum listed above may Progress to Journeyman by completing 7,000 field hours as a union member and passing an evaluation by the Union JATC and the employer.

New Candidates shall be evaluated by the Local 846/847 JATC and either slotted into the appropriate level of apprenticeship, or classified as a probationary, A-Rodman, or Journeyman member.

A-Rodman membership qualifies as a direct entry to all apprenticeship programs. Work and Classroom experience will be credited to the student after verification.
