DO YOU NEED TRAINING TO RETURN TO WORK?

Senior Community Service Employment Program

Get paid while learning new skills through the Senior Community Service Employment Program (SCSEP).

If you are 55 years of age or older, have a low income, and want to get back into the workforce we can help!

SCSEP can connect you with a local nonprofit or government agency, where you will get paid to build work experience through on-the-job-training. Once you've developed your skills and your network, you'll be ready for regular employment.
