Meet our Student Ambassador

"Being involved is so important to me! I am the Vice president of the East Jackson BETA club, and I am on the EJCHS student council and the Jackson County Leadership team. Not only am I present in clubs within the school system, but I am also a varsity competition and sideline cheerleader as well as a member of the girl's varsity tennis team. Outside of school, I have a few hobbies which include reading and writing. I want everyone in the greater Jackson County community to have the resources to develop such fundamental and interesting skills. That is why I am so excited to be the Student Ambassador for the Get Georgia Reading initiative!"

Let's Get Books in the Hands of our Children!

Literacy Task Force team members are busy planning ways to get free books in the hands of children across our community.

Sarah Kate Giddens, our Literacy Task Force Student Ambassador created the graphic that will be placed in each book given away during the 2022-2023 school year.

Resources

Storyline Online - Read Aloud Resource

Reading aloud to children has been shown to improve reading, writing and communication skills, logical thinking and concentration, and general academic aptitude, as well as inspire a lifelong love of reading.

Storyline Online is available 24 hours a day for children, parents, caregivers and educators worldwide.

Each book includes supplemental curriculum developed by a credentialed elementary educator, aiming to strengthen comprehension and verbal and written skills for English-language learners.
