## SPACE RANGERS ★

### Incoming Grades K-2

Hop in your spaceships, grab your space lasers, it's our intergalactic call to action! Become your favorite space characters or create your own as we discover new life forms, explore strange planets, and help save the galaxy. Work together with your friends to create stories that will take us "to infinity and beyond!"

## MAD SCIENTIST MAYEM ★

### Incoming Grades K-2

Warning! Mad scientists only past this point. It's time to begin creating your latest inventions! Will you make a radioactive machine? A slimy potion? Grab your imaginations and become your own mad scientist character, or become one of their helping henchmen, like a minion! Together, with your new friends, we'll use our genius characters to come up with our own mad stories and scenes.

## SHAPESHIFTING STORIES ★

### Incoming Grades K-2

Shrink down as small as a bug or grow bigger than a house! What would it be like to be a different size? Would you use a button as a plate? Would you use a cloud as your pillow? Join us as we create characters that are larger than life, or smaller than a speck of dust. Work together with your new friends to create stories all about your changing size.

## SUMMER TERM AT HOGWARTS ★

### Incoming Grades 3-5

Join all of your favorite characters from the *Harry Potter* series as you enter into a magical world filled with wizards, dragons, trolls, and elves. Act out scenes as Harry and his friends go to classes, play Quidditch, and even battle He-Who-Shall-Not-Be-Named. Immerse yourself in this exciting world all week and come out a full-fledged wizard.

## WONDERLAND ★

### Incoming Grades 3-5

In The Coterie's brand-new hip-hop musical *Alice's Wonderland*, Alice is zapped into her video game world. Now it's your turn to fall down the rabbit hole as we are pulled from real life and into a virtual reality. Together you can turn into characters from your favorite videogames or come up with your own curious characters. Try not to lose your head as we act out stories and use songs from the show!

## ESCAPE ROOM THEATRE ★

### Incoming Grades 3-5

It's time to crack the code, to solve the mystery, and then ESCAPE! Haunted mysteries and high-staked hijinks might just trap you in this thrilling class. Together we'll come up with our own stories where our characters must solve puzzles and unravel riddles. Create your own character or use one from some of your favorite mysteries as we work together and breakout!

## MUSICAL THEATRE: TRIPLE THREAT ★

### Incoming Grades 5-10

If you like acting, singing, and dancing, then musical theatre is for you! In this class, you will perform showstoppers from Broadway like *The Prom*, *Legally Blonde*, *Hadestown*, and more! Students will spend the week exploring character, learning choreography, and singing as an ensemble under the direction of an expert musical theatre actor and an accompanist. Students will perform as a chorus for family and friends during the final class.

## FUNNY BONES: INTRO TO IMPROV ★

### Incoming Grades 5-7

Get your funny started as you begin to learn all about comedy and improv! This fun and fast-paced class introduces young actors to the wide-open world of improv comedy. Students will develop skills in spontaneity, listening, creativity, storytelling, and collaboration as they explore their silly side!

## AUDITION LAB

### Incoming Grades 5-7; Incoming Grades 8-12

This class is a great way to prepare yourself for upcoming auditions! With the help of a professional teaching artist, students will choose audition monologues that match their age, personality, and individual audition needs. Students will use the week to prepare a monologue, develop successful strategies for cold readings, and learn how to create a professional resume. The final class includes a special audition with Jeff Church, Coterie Producing Artistic Director, or a member of The Coterie staff, for youth roles in the upcoming Coterie season.

## COMEDY ON YOUR FEET ★

### Incoming Grades 8-12

This popular Coterie class steps up your comedy game as students explore the wide-open world of improvisation. Students new to improv will learn the framework needed for successful comedy and alumni will sharpen their comedic skills as they learn about comedy, creating character, and dramatic action. This class offers an opportunity for consideration in The Coterie's Comedy Master Class.

= **Sharing** Friends and family will get to enjoy a video of scenes and activities created by the class.

## PERFORMANCE CAMPS

### OUT LOUD: CREATE YOUR OWN PLAY

#### One Week Performance Camp at Liberty

#### Incoming Grades 5-10

Let's get on our feet and team up to write and perform a brand-new play in a week! This is a unique performance experience where students will get a chance to work with a professional playwright to create a new short play and a professional director to rehearse the show in time to have a world premiere on Friday night! On Monday, students will be led through playwriting and character creation activities. Then our playwright will take your ideas and turn them into a script that you will rehearse all week and perform on Friday evening. Bring your creativity and join us for this fun and exciting challenge!

All students enrolled will have a speaking role—some large and some small.

### WE WILL ROCK YOU

#### Two Week Performance Camp at Pembroke Hill

#### Incoming Grades 9-12

Inspired by and featuring songs by Queen, join us for a rocking good time and sing rock 'n' roll classic songs like "We Are the Champions," "Bohemian Rhapsody," and "We Will Rock You." This story follows two young rebels as they restore rock 'n' roll to their post-apocalyptic world where everyone thinks, dresses, and acts the same. *We Will Rock You* is a musical for our time: a fist-pumping, foot-stomping anthem to individuality.

All students enrolled will have a speaking role—some large and some small. Auditions will be held the first day and the casting will be determined then.
