St. John's Episcopal Church, Chula Vista			From		
In-Person Worship Guidelines and Action Plan			Bishop Snook and State of California		
Episcopal Diocese of San Diego			June 1, 2020		
	Bishop	State	Congregational Notes	Responsibility Assigned To	Completed
Required Guidelines:					
1 Create a task force to make a written plan for restarting limited in-person worship in your congregation, adapting the following guidelines to your congregation's building and context.	X		A re-gathering task force was convened to address the church and state guideline. The task force was divided into groups, each group created actions for assigned guidelines. The completed action plan was presented to the entire task force for concensus	Rev. Roger Haenke, <i>Priest-in-Charge</i> ;	Approved by Re-gathering Task Force on: 6/9/20
2 Have plan approved by vestry and made available to the whole congregation by email, posting on website, and/or mailing to members	X	X	The re-gathering action plan was sent to the vestry for approval. The approved action plan will be posted on St. John's website and sent out to the congregation via E-Newsletter	Rev. Roger Haenke, <i>Priest-in-Charge</i> ; Maria Love, <i>Secretary</i>	Approved by vestry on: 6/10/20.
3 Post plan in conspicuous place and designate people to implement.		X	Action Plan will be posted at the entrance to the church, entrance to the office building and on our website	Sexton, vestry and secretary	with the approval of our action plan
4 Take reasonable measures: post signage reminding attendees to use face masks and maintain social distancing.		X	Signs posted at greeting table to the campus, entry door into the breezeway, door to Nale Hall, door into the narthex and church, door into office building	Ryan, Sexton and Maria, <i>Secretary and the Ushers/Greeter</i>	6/17; Checked weekly
5 Missions and MAP/APP congregations must have plan approved by the bishop.	X		Action Plan developed as directed by the diocese	Rev. Roger Haenke	submitted on: 6/10/20
6 Online or other distance worship should continue.	X	X	We will continue to livestream on Facebook /YouTube our in-person worship and upload recorded service to our website	Rev. Roger Haenke and Cliff Berkowitz	each Sunday after approval
7 Maximum group size is 25% of capacity, not more than 100 persons (including staff and worship leaders).		X	Church maximum capacity is 257; 64 people may attend in the church. Parish (Nale) Hall maximum capacity is 317; 79 people may attend	Rev. Roger Haenke, <i>Usher/Greeters</i>	6/21; ongoing until restrictions are lifted
8 Further limit your in-person attendance at any worship service to the number of people (or household groups) who can sit six feet or more away from any other people (or household groups). Mark allowable seats.	X	X	The number of people able to attend will be determined by household seating and 6 feet space between chairs for other people. Six feet social distance marks will indicate appropriate seating.	Rev. Roger Haenke, <i>Usher/Greeters</i>	6/21; ongoing until restrictions are lifted
9 Make a plan for how you will enforce group limit size once capacity has been reached.	X		When we gather in-person first consideration will be given to outdoor seating with social distancing, if seating reaches capacity consideration will be made for opening the three sets of double doors between the courtyard and Nale Hall for extra seating. If weather prohibits outdoor seating, the worship service will be moved to inside Nale Hall.	Rev. Roger Haenke <i>Usher/Greeters</i>	6/21; ongoing until restrictions are lifted

Re-Opening Guidelines

10	Before restarting in-person worship, deep-clean your worship facility, including door handles, pew tops, pulpits, and other surfaces.	X	<p>Sexton will lead and demonstrate proper cleaning and disinfecting techniques to volunteers. Sexton will assign duties. Sexton and volunteers will deep clean per instruction before restarting in-person worship.</p> <p style="text-align: center;">Bishop Shook and State of California June 1, 2020</p>	Sexton and volunteers	6/20
11	Discourage people over 65 or in a high-risk group from attending in-person worship.	X	We will discourage people 65 and older from attending in-person worship through our posted action plan, website, E-Newsletter and public announcements	Rev. Roger Haenke, Priest-in-Charge; Maria Love, Secretary	
12	Any clergy in a high-risk group who wish to lead in-person worship must be authorized by the bishop.	X	Possible solution: record clergy part of the service and play during in-person and livestream service	Revs Roger, Cathey, Jack and Al	as needed
13	Provide the best ventilation possible. Outdoor worship is safest. If you choose to worship indoors, open doors and windows and turn on fans.	X	We will begin in-person worship outdoors in our courtyard. Metal folding chairs (for most effective cleaning) will be placed 6 feet apart under the wood-covered walkway. Benches will be provided for family seating. In cases of inclement weather we will move indoors and will set up metal folding chairs in Nale Hall, prop open all exterior doors and windows and turn on fans	Sexton - set up; Greeters will assign and direct seating	6/21; ongoing until restrictions are lifted
14	No choir or congregational singing, and no use of wind instruments. Roger Haenke	6/21; ongoing until restrictions are lifted

X	Parishioners will be encouraged to bring personal facial covering; extra masks will be provided at the greeter's table inside the opened gate prior to entry to the breezeway	Greeter/Usher	6/21; ongoing until restrictions are lifted
17	Clergy should wash hands frequently. If communion is celebrated, the celebrant (and deacon, if applicable) should go to the sacristy during the offertory to wash hands thoroughly before setting the table and celebrating communion. Only the celebrant should stand at the altar during the Great Thanksgiving.	X	Clergy will wash and sanitize hands frequently; before the service begins, before setting the altar, during the lavabo; and with soap/water before distributing communion. Acolytes will remain at their chairs during the Great Thanksgiving	Rev. Roger Haenke	6/21; ongoing until restrictions are lifted

Re-Opening Guidelines

18	If communion is celebrated, only the celebrant should distribute bread, and should wear a mask during distribution. Roger Haenke, presider and Ushers/Greeters	6/21; until restrictions are lifted
20	Place hand sanitizer at the entrances and exits to the church, and other convenient locations, and encourage people to use it. Provide disinfecting wipes at the entrance and inside each restroom, and ask people to use them to clean door handles, faucets, and other surfaces after each use.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Hand sanitizer will be placed on the greeter's table and in multiple places throughout the church campus. No hand shakes, hugs or elbow and fist bumps during greetings, peace or social times	Rev. Roger Haenke	6/21; Ongoing until restrictions are lifted
24	If you have more than one worship service, remove shared artifacts such as prayer books and hymnals, and instead allow people to take single-use paper bulletins from a central distribution point, or offer downloadable bulletins that people can access on their personal devices. Used bulletins should be disposed of by the user instead of leaving them in seats for ushers to pick up.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	N/A - we will begin in-person worship with one service at 9:00am. We will use single-use, disposable worship bulletin. Person using it will be asked to dispose it in our blue recycle bin. No books of any kind will be available to the congregation	Rev. Roger Haenke and secretary	6/21; ongoing
25	Prop doors open so people don't have to touch door handles.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Front gates, doors to breezeway and Nale Hall will be propped open 30 minutes prior to start of service. 46	Consider using disposable seat covers for congregants/visitors.		X	Outdoor and Nale Hall seating: congregants will be encouraged to bring their own seat cushion (metal chairs will be used for effective cleaning); In church seating: plastic disposable drop/table cloths will be considered; we will consider spraying pews with disinfectant provided it will not damage the wood or fabric and dry quickly Bishop Shook and State of California June 1, 2020	Sexton, Jr. Warden and Rev. Roger Haenke	6/17; ongoing
47	Install touchless hand sanitizers.		X	The use of hand sanitizer and hand washing throughout the day will be greatly encouraged	All staff and visitors	Ongoing

The recorded service will be uploaded after the service on the St. John's website	Rev. Roger Haenke; Vestry	
	SUPPLEMENTAL PASTORAL GUIDANCE					
	The guidelines below set standards and options for celebrating the Episcopal Church's seven sacramental rites, plus the pastoral service of burials.					
	HOLY BAPTISM					
	Baptisms may be offered under either of the following two options:					

Re-Opening Guidelines

51	<p>The baptismal party and priest gather at a source of water (possibly outside for additional safety), physically distanced, with fewer than 10 people present. The service is recorded and inserted into a regular Sunday online service, or live-streamed as part of a Sunday service. The baptism commences with the presentation on BCP p. 301 and continues through the middle of page 307. The priest does not touch the water. For the actual baptism at the bottom of page 307, a close relative (perhaps the parent of an infant) performs the actual baptism ("N., I baptize you...."). The priest then continues with the prayer beginning "Heavenly Father" at the top of page 308. Chrismation is saved for a later date. The congregational welcome at the bottom of page 308 may be done live at the actual baptism, and repeated by the whole congregation during the Sunday service if the baptism is pre-recorded. Please note that this option is allowed because the BCP allows laypeople to baptize in case of emergency. I have discussed this option with the Presiding Bishop and he has agreed that it is allowable under our rubrics.</p>	X	<p>St. John's, Chula Vista will follow these guidelines for celebrating the sacrament of Holy Baptism. The service held outdoors will be preferred. Bishop Shook and State of California June 1, 2020</p> <p>The service will be preferably livestreamed as part of the Sunday service. If the baptism can not be celebrated during the Sunday service, the baptism will be recorded and included in the Sunday service. The celebration will follow the guidelines stated.</p>	Rev. Roger Haenke	6/21; ongoing until restrictions are lifted
----	--	---	--	-------------------	---

Re-Opening Guidelines

52	<p>This option should be chosen only with the permission of the baptismal candidate (or sponsors, in the case of a child). The baptismal party and priest gather at a source of water (possibly outside for additional safety), physically distanced, with fewer than 10 people present. The service is recorded and inserted into a regular Sunday online service, or live-streamed as part of a Sunday service. The priest should thoroughly wash her/his hands before the baptism begins, and wear a mask throughout the service. The baptism commences with the presentation on BCP p. 301 and continues through the middle of page 308. If a child is being baptized, the child should be held by a parent, not by the priest. The priest may use a long implement such as a ladle (which has been disinfected before the service) to touch the water and to perform the baptism, or may use thoroughly washed hands. Other than the actual moment of baptism and chrismation, all parties (who do not live in the same household) should be physically distanced. The congregational welcome at the bottom of page 308 may be done live at the actual baptism, and repeated by the whole congregation during the Sunday service if the baptism is pre-recorded.</p>	X	<p>St. John's, Chula Vista will follow these guidelines for celebrating the sacrament of Holy Baptism. The service held outdoors will be preferred. Bishop Shook and State of California June 1, 2020</p> <p>The service will be preferably livestreamed as part of the Sunday service. If the baptism can not be celebrated during the Sunday service, the baptism will be recorded and included in the Sunday service. The celebration will follow the guidelines stated.</p>	Rev. Roger Haenke	6/21; ongoing until restrictions are lifted
	HOLY EUCHARIST				
	Guidelines for in-person celebrations of the Holy Eucharist are spelled out above in the worship guidelines.				
53	In addition, you may consider making use of Lay Eucharistic Visitors to take Eucharist to home or family church gatherings. Such a structure might consist of:				
a	Pre-recorded celebration of the Holy Eucharist where elements are consecrated. The pre-recorded celebration would be available for viewing on Sunday morning so home churches could participate.	X	The celebration of Holy Eucharist will be livestreamed, recorded and uploaded to the St. John's website available for viewing by those not able to attend	Rev. Roger Hanenke, Cliff Berkowitz	6/21; ongoing until restrictions are lifted

Re-Opening Guidelines

b	On Sunday morning, Lay Eucharistic visitors come to the church to pick up pre-consecrated elements (probably providing bread only). Elements should be pre-consecrated, individually packed in communion kits or other receptacles, and set out for LEVs to pick up. The LEVs should be sent out with a short sending service, repeated at intervals on Sunday morning if necessary to maintain small group sizes.	X	N/A Currently St. John's does not have a group of Lay Eucharistic Visitors. It is our desire and plan to form a group of trained LEV who can bring communion to those who are not able to attend and request a visit. Bishop Snook and State of California June 1, 2020	Rev. Roger Haenke and Rev. Cathey Dowdle	TBD
c	At the home or family church gathering, the group would watch the pre-recorded Eucharistic celebration and share communion distributed by the LEV. More guidelines for how this might work liturgically will be forthcoming from our office.	X	N/A (see guideline 53 b)	Rev. Roger Haenke and Rev. Cathey Dowdle	TBD
d	At present, home church gatherings that involve more than one family unit should happen outside with masking and social distancing.	X	N/A (see guideline 53 b)	Rev. Roger Haenke and Rev. Cathey Dowdle	TBD
e	This structure may be integrated with a small group structure as previously proposed by Canon Christian Gillette.	X	N/A (see guideline 53 b); however, we have divided the parish into small group for social and keeping contact purposes. If needed, integration of LEV could be considered.	Rev. Roger Haenke and Rev. Cathey Dowdle	TBD
The following proposals are NOT currently authorized by our church. If the whole church agrees that such innovations are allowable, I will consider authorizing them.					
54	“Virtual communion” (i.e., using online worship to bless bread and wine that people have at home) is NOT authorized.	X	St. John's will not consider this option	Rev. Roger Haenke	Ongoing;
55	Asking people to bring their own bread to in-person worship and hold it up to be blessed is NOT authorized.	X	St. John's will not consider this option	Rev. Roger Haenke	Ongoing;
56	“Drive-through communion” is NOT authorized.	X	St. John's will not consider this option	Rev. Roger Haenke	Ongoing;
MARRIAGE					
57	Marriages may be performed with observance of authorized group size and with social distancing (except for the couple being married and other family groups). Performing the ceremony outdoors is encouraged if feasible. The State of California requires that the following persons be physically present in the same location: officiant, the two people being married, and one witness. Therefore, “Zoom” weddings where those persons are in separate places are NOT authorized	X	Marriage will be performed in observance of the guidelines and actions set forth in this action plan. No Zoom wedding will occur.	Rev. Roger Haenke	6/21; ongoing until restrictions are lifted
