Our Mission is to Christianize Environments and Develop Lay Leadership

## **“TOP GUNS FOR JESUS”**

*This summer, the action packed movie, Top Gun, will return to the screen to portray the best fighter pilots in the world, how they train, what they do, and how they win. The San Diego Episcopal Cursillo Ministry also has a new major showing in San Diego on June 25, 2022, at The Church of the Good Shepherd, Bonita. We call the event:*

## **The San Diego Cursillo Celebration – 2022**

*While we are not fighter pilots, we fight for Jesus to bring his love into the world, we fight to bring his truth into the world, and we fight to win over our environments for Jesus. I think this qualifies all of us to be:*

## **“TOP GUNS FOR JESUS”**

*The Celebration is a combination of a Local Cursillo Leaders gathering, training to expand the love of Jesus, and an Altar Call to Follow Jesus.*

**Come and See - Come and Learn - Come and  
Renew**

*(Application and Schedule on last two pages)*

# **A MESSAGE FROM THE CURSILLO PRESIDENT**

1 TIMOTHY 1:12 SAYS,

"AND I THANK CHRIST JESUS OUR LORD, WHO HATH ENABLED ME, FOR THAT HE COUNTED ME FAITHFUL, PUTTING ME INTO THE MINISTRY;"

This ministry has enabled me to be more faithful in trusting our Lord. With all the opportunities to witness, we grow in our faith. Witnessing and listening how thru faith, one can do anything thru Christ who strengthens us. Our Cursillo #147 was an amazing example of how when we pray and continue to grow God's kingdom, we can do anything thru Christ who strengthens us. In attendance we welcomed 10 new members to the Cursillo community this spring. Please help them continue their journey for Christ. Assist them in finding a group or invite them to your group to see how it's done, and or maybe they may find the calling to start their own group. Remember we should keep our mantra of Make a friend, be a friend, bring your friend to Christ.

A great place to start is attending the Day of Deeper Understanding (DODU). It is usually the two weeks after attending a weekend. You come together and talk about how your daily life has been since attending. It gives you an opportunity to let us know how Christ has changed your life if at all. You also have a chance to reunite with those from your weekend. Have you changed your environment? Have you decided to follow Jesus? Are you feeding your soul thru piety, study and action.

Our last DODU, May 14,2022 @St. Andrew's in La Mesa, went well. A great day where lots of questions were answered, more fellowship, music and lunch provided by the secretariat. Our next one will be two weeks after the next Cursillo weekend #148 in the fall.

In June, our "Cursillo Celebration 2022" will be held on Saturday 25 June 2022. It will start at 8:30 – 3:30 pm @ Parish of the Good Shepherd in Bonita. Lots of planning is going into this event. From food to music to guest speakers will be part of the agenda. It is giving you a little introduction to what your local San Diego Cursillo Community is doing and how it functions and a chance to meet your board members. We will hear messages from the bishop, (recorded or live) and from the laity on the Secretariat. They will share with you the inner workings of our/your ministry. Let's make this a huge success and support your team members. Since this is a catered event, we are asking for reservations for breakfast and lunch especially.

Applications are required in order to attend this event and if you are a parish representative from your church, your lunch and event is on us, (check the box for parish rep) We still need the application filled out for seating arrangements. All others attending are asked for \$20 donation to cover the cost of materials and food.

Our fall weekend will soon be upon us. Cursillo #148. It is never too early to begin considering sponsorship of candidates in your parish. Please see your Parish representative on how to sponsor a candidate. On the other hand, maybe you haven't had an opportunity to serve. Have you been to Pine Valley Bible Conference center? The location is only part of the experience. Is it your time to serve the community and bless someone else that will experience this in the fall? Serving on a team takes commitment. The type of commitment that will bind us together in Christ's love. Team meetings will begin in the summer. It is a requirement to attend the three team meetings for instructions to be given as we all have much to do and prepare for. Continue checking the website for dates and times for team meetings and locations around the diocese.

It is an honor and a blessing to have been chosen to be your next Rectora for Cursillo #148. Please join me for a wonderful, spiritual, fun and enlightening weekend. Join my team early to attend meetings this summer to plan your calendar. Don't miss out on Making a friend, being a friend, and bringing a friend to Christ!

Doris Sunny Landry

# **A MESSAGE FROM THE CURSILLO SPIRITUAL ADVISOR**

## **“Welcome, Happy Morning!” A Song of Triumphant Living**

The word “triumph” means to have victory, to have success, to accomplish an achievement. The word triumph should not be confused with the word “arrogant.” To be arrogant is to be prideful and pompous. In the resurrection of Jesus there is no arrogance and no room for arrogance. We encounter only the triumphant life of Jesus’s resurrection, which is the triumph of triumphs. The triumphant existence of the resurrection is one of joyful victory over all the things that can pull us down and destroy us. It is salvation! As the theologian Karl Barth has said, “The resurrection is salvation. Salvation is the resurrection.” The song, “Welcome Happy Morning!” (Hymn 179) shows the triumph of Christ’s resurrection. Let’s look at stanza #5 to let this ancient Latin hymn speak to us:

*Thou, of life the author, death didst undergo,*

How does Christ’s resurrection change the reality of death? When Jesus rises from the dead, He is the author of life that triumphs over death. The song says of Jesus that death didst undergo. He died, but Jesus, who says of himself, “I am resurrection and life,” is filled with the infinite life of God and as such is the author of life who can easily triumph over death. Other religions are based on a code of conduct, a path of progress. But Christianity is based on a living savior who is the author of life and who has conquered death. Jesus is not just a religious teacher, He is risen life. And His risen life is not just the way to salvation, it is salvation.

*tread the path of darkness, saving strength to show;*

Darkness refers to evil. On the cross Jesus took all the evil of the world, the sins of the whole world upon himself. Carrying his cross to be crucified and being crucified were treading the path of darkness. In Jesus paradoxically God became weak in order to show us His strength. That in the extreme weakness of Jesus carrying the sins of the world, God shows us His infinite strength. This is an important lesson for us, that when it seems like evil is going to triumph over us, we must always believe that God is stronger, that paradoxically God can show His strength during our moments of weakness. Jesus is there in the midst of our weakness even when it seems like evil is going to triumph over us, He shows up with His saving strength. He shows us His saving strength in the darkest places of our lives.

*come then, true and faithful, now fulfill thy word,*

The key word here is “now.” Jesus’s resurrection is not past tense, but present tense. It is now. How does Jesus fulfill His word? The Jesus who is risen comes to us in our present moment—the now and fulfills His word through His risen presence working in us and through us. Jesus’s words spoken in the Bible come true in our lives. When we believe in Jesus’s resurrection, we see that the words that Jesus spoke come alive and are channels of God’s grace, His active favor. Our prayer is “come then, true and faithful,” Jesus. And He does come, risen and alive, fulfilling His words in us.

*’tis thine own third morning! rise, O buried Lord!*

In this part of the hymn, we remember that Jesus predicted that He would rise again on the third day, that in the third day Jesus would rise from the dead, triumphant over sin, death, and Satan. When Jesus triumphantly fulfills His word on the third morning, He shows us that we will rise triumphant on our third morning at the end of our lives.

*“Welcome, happy morning!” age to age shall say.*

In Heaven we will say, as we are resurrected, “Welcome, happy morning!” We will also say, “age to age,” which comes from the Greek words, for ages of ages, Philippians 4:20, which means eternity of eternities or forever and ever, in other words, the ultimate eternity. We will say for all eternity, “Welcome, happy morning!” filled with the joy of the resurrection of Jesus.

This Easter Sunday we not only celebrate Jesus’s resurrection, but we celebrate our own resurrection and therefore salvation. We anticipate our being resurrected into heaven and as we do this we are filled with the joy of Jesus’s resurrection in us. We sing out from the depths of our being, “Welcome, happy morning! Age to age shall say!”

### **PARISH REPRESENTATIVES SPOTLIGHT**

It's Almost Here! The Cursillo Celebration!

Please put June 25th on your calendar for our Cursillo Celebration. This will be a wonderful time to meet other parish reps, participate in great music, eat, and learn more about the inner-workings of Cursillo. There will be various presentations, including one on the role and function of the Parish Rep. This will be a time to share and receive ideas how to successfully complete your very important role.

Everyone in the Cursillo community is welcome, but YOU get in for FREE. Bring members of your parish community. The location is Church of the Good Shepard in Bonita. If you are coming from north county, the desert, or Yuma, you may want to carpool. For planning purposes, we ask that you send in your registration form (attached). Please share it with others in your parish community. The more the merrier.

I look forward to seeing you, and meeting some of you for the first time. I am at your service.

Please call me if you have any questions.

Blessings,

Kit Chevalier

## This One's for YOU!

Calling all Parish Reps! Or those who may want to do this rewarding job. The Cursillo Celebration is just around the corner, and we want you to attend. Parish Reps get in FREE!

We will go over what the expectations are for a parish rep, share tools to assist you, and you will get to meet other parish reps and share ideas. This is really for you. You won't want to miss it!

Send your application is as soon as possible. Call me if you have any questions.

### Visitors May Be Coming...

But only if you invite them! As you may know, Cursillo Awareness Month is July. If you would like a visit to promote Cursillo, just let us know. With the priest's approval, a pair of active cursillistas will visit your church one Sunday in July to introduce/reintroduce Cursillo. This is a great opportunity for parishes that don't have a parish rep, or for parishes that do and want an outside voice.

Ask your priest which Sunday, or two options, would work. A team will be available to give a brief announcement during the service, and available after the service to answer any questions. This would be a good time to find out who the 'closet' cursillistas are at your church, and who may have an interest in attending a weekend.

Please contact me after you have spoken to your priest and we will make the arrangements.

Blessings, Kit Chevalier

## **(CURSILLO FOUR-EVER)**

### **GRAND ULTREYA-MAY 21, 2022—Forgiveness by the Forgiven**

WHAT A JOY it is to see and talk with friends from all over the Diocese. Such was the case at the Grand Ultreya held at St. Andrew's in La Mesa on Saturday evening, May 21, 2022. We are just starting to live again after the seemed-like-forever imposition of covid restrictions that kept us apart.

About thirty Cursillistas gathered for fellowship, food, songs, grouping and witness talks that did not disappoint. It was an Acts 29 experience. Kathryn Bunch gave a moving witness talk that reminded us of our creedal declaration: "We believe in the forgiveness of sins;" and our Lord's prayer: "Forgive us our sins, as we forgive those who sin against us." The talk also reminded us of the "Sin and Reconciliation" experience during the Cursillo Weekend.

What especially struck me from Kathryn's talk was when she shared her experience of a nun looking right at her and saying: "When you do not forgive someone who has sinned against you, you leave Jesus hanging on the Cross!" Ouch! I know it is difficult to forgive someone who has really hurt you or someone whom you love, but that is exactly what we are called to do. Lord, have mercy. Kathryn shared how her lack of forgiving her mother resulted in bad consequences in her life. It took that Nun to bring her to her senses and brought her the long-hope-for healing and reconciliation.

In Mike Jewett's Echo, he didn't want to talk about recovery again, but he had to anyway. Making amends to those he has hurt is an important part of his recovery. Forgiving others is not only an important part of his Christian Walk, it also complements his recovery. As part of his Scriptural Response, Archdeacon Bob Nelson also cited a couple of the Twelve Steps that dealt with seeking to follow God's will. Thank God for His grace. He knows our shortcomings and loves us nevertheless. It seems the least we can do is to forgive others for their shortcomings.

The Announcements featured exciting News! Sunny Landry was announced as the Rectora of the Fall Weekend! Cursillo #148 will be held October 28-31, 2022, at Pine Valley! Take the opportunity to serve on the Team. It's not too early to ask a friend to attend as a candidate. Be sure to ask your Priest first. Make a friend, be a friend, and bring a friend to Cursillo. Check out our website [sdcursillo.org](http://sdcursillo.org) for more information and applications.

Larry Salvadori promoted the Cursillo Celebration that will take place on Saturday, June 25, 2022 at Good Shepherd, Bonita. Experienced Cursillistas will be giving talks on the nuts and bolts issues about Pre-Cursillo, the Cursillo Weekend, and the Fourth Day. Learn how you can be a part of expanding God's Kingdom by making a dynamic and bright future of the Cursillo Ministry. Let's help develop fruitful disciples and effective Christian leaders of Christ. Check out the San Diego Episcopal Cursillo Website at [sdcursillo.org](http://sdcursillo.org) for more information and applications.

Blessings and Ultreya!
