*Appetizer Reception to follow  
with  
RUSS PECK at the **LOWREY MARQUEE***

We welcome you to St. Andrew's Episcopal Church in the Village of La Mesa where Wayne has served as Organist/Choirmaster for six years. We are privileged to present some of San Diego's finest organists to entertain you with a wide variety of classical, sacred and popular music. This three-manual 66 stop Allen organ is the first in San Diego to feature GENISYS™ with APEX Technology™ with 65 times greater sound resolution than previous generations. Combined with the 31 existing pipe ranks, this instrument produces a thrilling sound. We look forward to seeing you on Saturday.

Kind Regards,  
*Wayne and Cheryl Seppala*
