4D RECOVERY

PRIDE

Join us as we march in the annual Portland Pride Parade! Our 4D Recovery contingent will meet on **NW 8th between NW Gilsan and Flanders.**

Float assembly crew should arrive by **8am,** those interested in just walking should arrive by **10:15am.** 4D Recovery is #71 in the lineup, immediately following Oregon Recovers. The parade route is approximately 30 minutes long.

Masks are required for all parade participants: face shields are acceptable but N95‘s and KN95‘s are recommended and preferred.

Covid Vaccination is not required to take part in the parade, but it will be verified to enter the Waterfront Festival portion of the event.
