

The Georgia Department of Education School Nutrition Program announces the following upcoming dates for Professional Development and Learning Opportunities for success in Fueling Georgia's Future.

For additional information or questions about the conference, contact Rolandria at 404-695-2925 or via email at [rboyce@doe.k12.ga.us](mailto:rboyce@doe.k12.ga.us).

## Wellness Policy Webinar Series

This series is for Directors, Supervisors, Educators, Administrators and Wellness Committee Members/Prospective Members.

We are excited to announce a virtual Wellness Conference in partnership with the Office of Whole Child Supports of the Georgia Department of Education. This collaborative professional development and learning opportunity will provide applicable and valuable tools that lend support to cultivating comprehensive local wellness policies for schools and districts. Join us!

This interactive, innovative, and engaging series will highlight four key areas:

- *Whole Child Evidence-Based Wellness Strategies*
- *Engaging Stakeholders through Value-Added Partnerships*
- *Wellness Policy Implementation & Best Practices*
- *Actionable Wellness Policy Resources*

Topics and dates are listed below:

TOPIC	DELIVERY DATE	TIME
<b>Whole Child Centered Wellness: Evidence-Based Strategies &amp; Key Collaborations</b>	Wednesday, January 27	2:30 – 4:00pm
<b>Building Successful Wellness Policies: Lessons Learned from Georgia Districts</b>	Wednesday, February 10	2:30 – 4:00pm

Each session will be delivered through video conferencing tools. Specific registration information will be made available soon.

Please SAVE-the-DATE! We want to see you virtually.
