# 2020-2021 Academic Performance

Of the 7 schools not yet Meeting Academic Standards:

- 2 have TFS across all grade bands served
- 1 has scores the same as (no more than 3% below) the comparison schools' score in one grade band but is not outperforming in the other grade band
  - This earns a designation of Approaching standards
- 1 has lower scores in one grade band and TFS in the other grade band
- 3 have lower scores than the comparison schools' scores across all grade bands served

\*TFS- too few students to report scores, less than 15 students tested in the given grade level/subject exam.

# Next Steps:

- Compliance will be determined on a school-by-school basis to account for differences in type of assessment administered and available, verifiable data.
