

Dear FA Community,

The Middle School Student Council is partnering with [Safe Harbor](#), a local non-profit, to lead the Middle School in a service learning project this Holiday season. Safe Harbor's mission is to provide services that promote security and stability for at-risk families, children, and individuals.

Each Middle School advisory group will be assigned two local youths who have holiday wish lists. The Middle School will conduct a cash donation drive for the entire FA community. The money raised will be distributed equally among the advisory groups. Students will then take a field trip during school to shop for their newly adopted friends. The Seventh and Eighth Grades will go to Target on Monday, December 5, during their Directed Study class, while the Fifth and Sixth Grades will go to Target on Tuesday, December 6, during their elective class.

The donation drive will start on Monday, November 14. We will have donation boxes set up in both Benefield and Fleming Halls. Any amount you feel comfortable giving will be incredibly helpful and will go a long way towards helping local students.

Our hope is that our students learn to empathize with those who are less fortunate and that they learn that their collective efforts can make a huge difference in our community.
