

Dear Region 2-AAA Schools,

I hope this letter finds everyone well. Bulloch Academy has the honor of hosting the Region 2-AAA Basketball Tournament on February 8th, 10th, and 11th. Our priority is to provide the best possible environment for our players, coaches, officials, and spectators. As we continue with these unprecedented times, we will still have some procedures in place to ensure the safety of those in attendance. The Bulloch Academy Health and Safety Committee and the Department of Public Health has recommended that all spectators wear face masks. This is the same requirement that we had during our regular season contest.

This year's tournament will continue with many of the normal procedures which most of us are accustomed to. Tickets for all games of the region tournament will be purchased with cash only at the main entrance of our Legacy Gymnasium. GISA passes will be honored and those pass holders will be allowed to bring one more person in attendance with their pass. To maximize the parking on campus, all teams are required to park down at the football field/ track area closest to the visitors bleachers. All players, coaches, cheerleaders, trainers, and pass holders will enter the side of the Legacy Gymnasium located closest to the football field ticket booth. From this point they will be escorted to their respective locker rooms for that evening's contest. The warm up time between games will be fifteen minutes, also halftime warm ups for each team will be held in the Arthur Howard Arena located directly beside the game gym. Each team should bring warm up balls for the halftime and pregame warm ups. The region will provide game balls. Also, the region will provide an official bookkeeper, and your teams can still have your regular bookkeepers sit at the scorers table to keep their individual books. All games will be live streamed on NFHS and on Facebook Live with game commentary.

Bulloch Academy is excited to be hosting this year's region basketball tournament. We are anticipating great games and atmospheres for all our teams. Thank you for your understanding and cooperation. We look forward to seeing you at the games!

Sincerely,  
Andy Woodard  
Athletic Director  
Bulloch Academy
