

# A FAMILY INVITATION

You are cordially invited to join the Frederica Academy family during Open House week, **February 5-9, 2018**, to tour our campus and classrooms, meet our faculty and students, and enjoy special activities.

As a Pre-K through 12th grade college-preparatory school, the focus is on the needs of each student. Small classes, gifted programs, child-centered teachers; and challenges through integrated curriculum, experiential learning and an individualized approach are all part of the Frederica experience.

**To learn more, please call  
(912) 638-9981, ext. 106, or  
visit [fredericaacademy.org](http://fredericaacademy.org).**

## Frederica Academy

Enriching the Mind, Body, and Spirit.

*When we attended Frederica's Open House many years ago, we instantly felt a sense of family and belonging. Diverse offerings and unique opportunities were visible at every grade level. Today, we remain impressed with Frederica's commitment to providing a safe and nurturing learning environment while preparing students to become critical thinkers and passionate lifelong learners. As parents of children who each have distinct learning styles, we especially appreciate the individualized approach to students' educational needs at Frederica Academy. Through positive partnerships among students, families, and the school, Frederica fosters a community of shared values and well-rounded students who are prepared for college and beyond through the development of mind, body, and spirit. We are so grateful that we found the right educational fit for our family.*

**— Dana and Denny Carter with Hudson (Class of 2029),  
Camille (Class of 2030), and Hayes (Class of 2025)**
