☆ The International Thespian Society (ITS), founded in 1929, is an honor society for high school theatre students. The mission of ITS is to recognize student achievement in theatre arts. ITS is a division of the Educational Theatre Association (EdTA). To become a Thespian, a student must earn an initial 10 points, or the equivalent of 100 hours of high-quality theater work either on or off stage. Thespians continue to grow in the program by earning stars and bars.
