

Hi! Flat Cope arrived safely in Savannah, Ga for a visit with us last Wednesday. We are so excited he is here! He's been both fun and helpful to have around!

- Flat Cope went to high school with his cousin Whit to experience a day as a BC Cadet.
- He took a Pilates class with Aunt Winslett.
- He pumped Aunt Winslett's gas.
- Played pickle ball.
- We found him tiny mask and he went grocery shopping for us.
- Goldie has especially loved having a playmate around that is smaller than her!

We'll check back in next week with updates from this week. We sure wish real Cope was here but Flat Cope is the next best thing!! We love Cope!
