FREDERICA ACADEMY DIRECTORY 2017–2018

ALMA MATER

On an isle in southeast Georgia

There's a school we love;

Set near sea and pearly beaches,

Moss draped oaks above.

Frederica, how we love thee,

Our dear high school home;

And our memories we'll cherish,

As from thee we roam.

2017-2018 The Frederica Academy. This directory is NOT to be used for purposes of solicitation by mail, telephone, or e-mail. This publication is solely for communication of school-related matters by and among members of the school community—students, parents, faculty and staff. Its use for any other purpose is not authorized.

MISSION STATEMENT

“To maximize the potential of each student and to prepare him or her for college and adult life through the development of mind, body, and spirit.”

PHILOSOPHY

Frederica Academy is a coeducational, nondenominational, independent, college preparatory day school offering the highest quality education for students of all races, creeds, and nationalities. The mission of Frederica Academy is to prepare students who are of average or above average ability and who aspire to a higher education to realize their potential and to respond to the expectations of a democratic society. Each student is viewed as unique so that special qualities may be recognized and developed. The school fosters an atmosphere where high moral standards of conduct within the Judeo-Christian tradition are practiced, and there is a stated honor code. Support from parents and the community is actively sought in maintaining these high moral and academic standards throughout the learning process and in the learning environment.

Frederica Academy's position is that the education of its students requires regular attendance in all obligations. The academic exchange between the teacher and the students is of paramount importance. All other activities are considered secondary. Therefore, every effort is made by the faculty, coaches and administration to maximize the time a student is in the classroom.

Education, as distinguished from training, is a process of blossoming from within rather than one of manipulation from without. It occurs when inherent abilities are stimulated by an environment conducive to growth. Growth implies change: a stretching, a transcending of boundaries. Education is dynamic and the school becomes the change agent.

Close relationships are a significant characteristic of life at Frederica Academy. We form a community based on mutual trust and participation by all students, faculty and administration. Because of this spirit, the government of daily life at this school is made as simple as possible. Students are given the freedom to practice expected self-control and to accept personal responsibility for their actions. The basic rules regulating our common life are intended to ensure consistency, fairness and a sound environment for education.

Frederica Academy aspires to provide those resources of faculty, curriculum, and environment which best enhance student opportunity for intellectual, physical, moral, social, and aesthetic development. Frederica Academy inspires and leads its students to become self-motivated in their pursuit of excellence and prepared for future opportunities in education and in the exercise of citizenship in a democratic society.

PARENT ASSOCIATION AFFINITY PROGRAMS

These programs benefit our school but don't cost you a thing! Well... they don't cost any more than you are already spending. The money earned is used by Parent Association to support various programs and purchases for our school.

Harris Teeter: Frederica Academy earns cash by participating in Harris Teeter's Together in Education program. Please ask a cashier to link your VIC card to Frederica Academy. Each August your card must be "relinked" but mention it to the cashier and it's done! Please ask friends & family to link their cards too.

Publix: Please ask for a Publix Partners key card in Frederica's front office—it is linked to Frederica Academy. Provide it when you checkout at Publix and we receive credit resulting in cash for our school.

Target: Target's Take Charge of Education program rewards our school by donating 1 % of your Target REDcard purchases at Target and [target.com](https://www.target.com) If you have a Target Credit Card, Target Visa credit card or Target Debit Card, please link your card to Frederica Academy at www.target.com or ask the customer service desk to link your card to Frederica Academy.

Lands' End: As a member of the Lands' End Preferred School program Frederica Academy earns a percentage of what parents spend on school uniform and dress code purchases each year. When you purchase your uniforms online (and anything else) please input Frederica's school code **900063579**. It's that simple!

BoxTops for Education: Please clip BoxTops from hundreds of your favorite products and send them in to school. Each BoxTop is worth 10 cents for our school which adds up fast! You can also earn eBoxTops by shopping online at over 100 retailers, including Lands End, at the BoxTops Marketplace. Sign up at www.btfe.com.

Labels for Education: Please save Labels for Education from Campbell's, PopSecret, Emerald, Dannon, Pepperidge Farm, V8, Post cereals, Bic and many more participating products and send them in. We receive points which can be redeemed to purchase school products. Go to www.labelsforeducation.com for more details.

If you purchase items from Amazon, please remember to use the **AmazonSmile program**. For every Amazon purchase you make, Frederica Academy receives cash back. These funds go toward the operating budget and support numerous school programs. On your first visit to AmazonSmile (smile.amazon.com), you will be prompted to select a charitable organization from a list of eligible organizations. Please select Frederica Academy from the list and be sure to use this link in your browser every time you make purchases on Smile.Amazon.com. It's that easy to support the school every time you go shopping online.
