

FLAT LEO IN DELAWARE AND THE POCONOS

The pic of Leo in the snow was taken in the Pocono Mts, PA. Leo's cousins, Tim, Amy, and Heidi, spent President's Day weekend skiing in the Poconos and Flat Leo came along! We skied at: <https://www.jfbb.com/the-mountain/about-the-mountain/mountain-info.aspx>

A fun pic is of Heidi holding Flat Leo by the police blockade protecting President Joe Biden's house! Joe Biden's home in Wilmington, DE, is next door to where Leo's cousins' good friends live. When Jill and Joe Biden are in town, there sure are a lot of secret service around!

More photos from Wilmington, after Flat Leo went to see the movie, *Tom and Jerry*, with his cousins.
