

MRS. MARIA GALLAGHER

Good Morning! I am Parker Jules and I am Assistant Editor of the Frederica Academy Yearbook. This Yearbook is dedicated to a teacher who has been an inspiration to many current and past students of this school. She uses her words of encouragement, her passion for teaching, and her genuine empathy to uplift and motivate students to become the best versions of themselves. What makes her beloved is her ability to quickly notice when one of her students is having a difficult day, when they're struggling, and when they need support.

She not only recognizes when support is needed but will passionately offer her time and talents. She is beloved because of her innate desire to celebrate the successes of those around her, students and colleagues alike. She wholeheartedly embraces life and models what it means to be a part of a community that values the mind, body, and spirit.

On the outside, she exudes professionalism and preparation. On the inside, she is the teacher that strives to bring out the best in you. Her classroom is a place where students meet high expectations and her unwavering belief that all students can excel if they try their best. Great teachers have the ability to demand that you rise to the level of your potential while still making you feel loved and respected. We all want her to be proud of us.

The 2021-2022 yearbook is dedicated to Mrs. Maria Gallagher! Please come forward to accept these flowers from the Class of 2022.

Congratulations Mrs. Gallagher. There's no better embodiment of Frederica Academy's Mission.
