Moondance Adventure Programs

Locations: Domestic and International

- Moondance provides adventures where students are challenged to leave their comfort zones, and are delighted with who they reveal themselves to be outside of their day to day lives. We believe that the outdoors is the ideal setting for reminding us of who we are as leaders, team members, friends and human beings. We go places where distractions are limited to night skies, sunsets, new friends, good conversation, mountain passes and fresh air. We show our students that they become better when they are working for something bigger than themselves.
