

**LOWER SCHOOL**  
**AFTER-SCHOOL CLUBS MINI-SESSION**  
**PRE-KINDERGARTEN**  
**November 7 – December 2, 2022**

**Lego Club:** We had so much fun creating and building with Legos in our last session, we have decided to continue this club for the mini session. If your child likes Lego, sign them up for a great time with Mrs. Leslie.

**Happy Holidays Club:** As we near the holiday season, Mrs. Kent is going to bring the holidays to Pre-K. During this club, students will have an opportunity to make holiday-themed crafts, ornaments, and even decorate a gingerbread house.

**Games Galore:** Do your kiddos like playing games? Games Galore provide a unique and fun opportunity for your children to play some classic games. These games will include card games such as Old Maid, Go Fish, Dominoes, and even some outdoor classics. This club will be a great time with Mrs. Armstrong.

**Fun Fitness:** Coach Williams has designed a club to get our Pre-K kids moving at the end of the day! In this club, students will play PE games and learn some dance games as they incorporate fitness movements. The games are fun, healthy, and exciting!

**Edible Art:** Edible art is designed for our Pre-K friends who love art, and love to eat! In this club, students will join Ms. O'Brien to create masterpieces using food. Some of the activities will include decorating cookies and making necklaces. This is a great way to end the week!
