

Accelerated Math Summer Tutoring Program

Dear Pearl Parent,

This year we will once again offer a tutoring based Accelerated Math Option. Students who sign up for this program will come to Pearl once or twice a week to do their Accelerated Math in a supervised tutoring session. Students will have 30 min. one on one with a tutor and 30 min. independent work time to complete and score their Accelerated Math assignments. (1 hour total)

2 Sessions Available: June 11th– June 27th and/or July 16th - August 1st

Fee per Session: \$45.00 per student for once a week (3 classes) and \$90 for twice a week (6 classes). Fee includes the At-Home Accelerated Math Access.

Classes are scheduled on Tuesdays and Thursdays from 9:00 a.m.-12:00 p.m. and will be taught by Pearl Prep teacher, Miss Prest. The assigned times will be based on sign-ups. You may make requests for preferred times if necessary and we will accommodate on a first come, first serve basis. We will automatically schedule siblings together.
